ROBOCOP

SRP: $89.99

Release: March 2014

The one that started it all: The original Robocop.
While staying true to the details of the original 1987 design, we have paid particular attention to a more modern appearance when recreating Robocop in this action figure. We have implemented complex joints such as ball and swing joints in the shoulders to maximize the range of motion. Robocop comes equipped with the Auto 9 to recreate his unique shooting pose, blue and purple accents in the paintwork reminiscent of the lighting in the film, and a bevy of accessories including the terminal strip and interchangeable plates to show his leg holster in the open and closed positions.

Display stand included.

Figure Height: W [illegible] x D [illegible] x H [illegible]"
Spec: PVC Action Figure Package: Window Box

UPC Code: [illegible]

FINAL FANTASY

VARIANT PLAY ARTS 改 ACTION FIGURE KAI

HERO OF LIGHT

SRP: $120.00

Release: March 2014

The very first installment of the FINAL FANTASY series began when the four Heroes of Light appeared in the land of Conera. One of them - "The Warrior with Blue Armor" - joins the ranks of PLAY ARTS KAI action figures! He has been recreated in gorgeous detail with brilliant paint work and the curvature and form based on the actual process of making a real suit of armor. By incorporating different materials such as cloth and flexible plastic, as well as enabling a wide range of motion of the joints, this figure can be posed in both "static" and "active" poses. From gracefully standing at attention, to a fierce sword battle, many different scenes can be recreated in vivid detail. Equipped with his trusty sword and shield, and special weapon effect accessory, this figure is sure to breathe new life into the classic Hero of Light!

Figure includes accessory parts such as cloth cape with internal wires for posing, sword, sword effect pieces, effect piece display stand, shield, exchangeable hands and figure display stand.

Spec: PVC Action Figure
Package: Window Box
UPC Code: 6 62248 81439 1
Figure Size: W 9.45" x D 4.7" x H 12.4" (with helmet), H 10.6" (without helmet)

S.H.MonsterArts Alien Warrior

MSRP $55.99 Feb 2014 17cm STK629128

The premiere release in this new S.H.MonsterArts series is the Alien Warrior from the 2004 AVP film. This advanced joint system has been specially designed to allow dynamic poses without breaking the figure's distinctive silhouette. These joints allow the Alien to support itself in all sorts of dynamic and delicate poses, from crawling on all fours, to leaning in towards its prey. The tip of the head can be slid to open the main mouth and reveal the threatening inner mouth. And the tip of the tail uses diecast metal parts to achieve an even sharper feel.

TAMASHII NATIONS is an umbrella label encompassing Japan's top collectable toy brands. Our logo is designed to represent the cool, fun, and just plain awe-inspiring nature of our products. Our mission is to bring TAMASHII, the Japanese word for soul or spirit, to everything we create.

This monster action figure adopts 3 different materials (ABS, PVC, and POM) for main body. For the "mechanical" monsters, Zndsc (die cast and zinc alloy) is used to provide metallic texture and weight . Also, articulation points are made of appropriate materials to emphasize the function. The precise utilization of materials enables superior portrayal of each manster's character.

S.H.MonsterArts Predator Wolf

MSRP $58.99 Mar 2014 18cm STK629128

This is the ultimate action-figure portrayal of the ultimate Predator warrior. A portion of its armor is diecast metal; the weaponry is molded in finely detailed ABS; the body details are PVC; and the famed "dreadlock" hair utilizes flexible material so as not to interfere with posing. The Predator's signature mask can be removed to reveal its organic face beneath. Its jaw can be swapped out with variation parts to replicate both "normal" and "howling" appearances. The Predator's spear was replicated in fine detail and accurate proportions; two expanding versions are included. Expanded and retracted versions of the slash whip are included as well.

USER'S guide

At first glance, *PREVIEWS* can be overwhelming because it's packed with tons of cool stuff. But there's a rhyme and reason to this mag-a-log and here's how to use it!

You now hold in your hands the latest issue of *PREVIEWS*, the monthly mag-alog dedicated to comics, graphic novels, toys and other pop-culture merchandise. If it's in your comic shop, it's in the page of *PREVIEWS*!

PREMIER COMICS BOOKS MAGAZINES TRADING CARDS APPAREL MERCHANDISE GAMES VIDEOS

What is *PREVIEWS*?

PREVIEWS is part magazine, part catalog—a "mag-alog" of all comics and pop-culture merchandise found at your local comic shop.

We've broken down the product listings by easy-to-understand sections: Comics & Graphic Novels; Books; Trading Cards; Toys, Statues & Models, and more.

Each month, you'll find detailed listings for almost every comic book and pop-culture product that will be available in comic shops in 2 months. So, if you're looking at the April issue of ***PREVIEWS***, most items will be in comic shops sometime in June.

How do I order from *PREVIEWS*?

Ordering from ***PREVIEWS*** is is easy! There are **3** simple ways to order:

1 **Use the Short Order Form.**
Fill in with the items you'd like to order from this issue.

2 **Ask for the companion Customer Order Form.**
We offer a companion order form that features a complete listing of every product offered in that month's issue of ***PREVIEWS***. Fill out what you want to order and hand in to your comic ship by the due date on the cover!

3 **Ask your retailer about their "Pull & Hold" service.**
Many retailers offer a "pull & hold" or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy or ***PREVIEWS***, Marvel ***PREVIEWS***, and the ***PREVIEWS*** Customer Order Form each month so you can place your orders easily!

GIVING THANKS (YEAR EIGHTEEN)

EDITOR'S
note

Since becoming editor of ***PREVIEWS*** eighteen years ago, each year around this time, I have acknowledged those things in life for which I am most thankful. Everyone has their own things for which they're thankful, and these are mine… in no particular order.

First and foremost, I'm thankful for the continued opportunity to work with a great bunch of people here at ***PREVIEWS***, in an industry I love, as your monthly host. And these things too…

- I am *thankful*… for the opportunity to travel home each year and reconnect with family and friends in California, and to take my annual trip to Comic Con in San Diego with my best bud, Chris Cade! *Mang.*
- I am *thankful*… for my West coast pals Chris, Dwayne, Rob, Ross, Mike, J.R., Andy, and J.W.!
- I am *thankful*… for my East coast pals Jeff, Tom, Dave, Marc, Mikey, Scott, Vince, and Michel!

And of course, I am continually thankful to all of you out there, our faithful readers, who make this all worthwhile! Without you guys, where would we be?

So, wherever you may find yourself this month, Happy Thanksgiving to you and all of yours!

Your Pilgrim Pal @ ***PREVIEWS***,

Marty

This month's featured creators is...

BILL WILLINGHAM

Bill Willingham has been writing — and occasionally drawing — funnybooks for close to thirty years now. He also writes prose fiction as well. He is best known for creating the following comic book series: *Elementals*, *Ironwood*, *Coventry*, *Pantheon*, *Proposition Player*, *Shadowpact*, *Fables*, and *Fairest*. Bill lives in the wild and frosty woods of Minnesota.

What are you currently working on?

It's a seven-issue comic book series called ***Legenderry*** (offered in this issue by Dynamite Entertainment, page 284), which is also the name of the world in which the story takes place. It's a world inhabited by Steampunk versions of such characters as *The Six Million Dollar Man*, *Green Hornet & Kato*, *Zorro*, *Vampirella*, *Silver Star*, *Captain Victory*, *Flash Gordon*, *The Phantom*, and *Red Sonja*. This is a story where I get to have my cake and eat it, too! I get to work with some of my favorite characters from comic books, prose, and film, but also get to create brand new versions of each one of them. That way, I don't have to make a single one of them fit in with all of the past continuity of those characters. I get the best of both situations! Plus, I built an entire new world in which to place those characters. World-building is one of the best parts of adventure storytelling. This is my first-ever foray into the Steampunk genre, so that's another new adventure I get to go on as a writer!

LEGENDERRY

Bill Willingham, what are your favorite projects you've contributed to over the past decade?

In comics, it's my first series *Elementals*, and my current big series, *Fables*. Of course, that doesn't mean the other comic projects I've done aren't also dear to me. I can't imagine submitting a story I didn't love. I'd consider myself a hack if I did write stories I was only so-so proud of. In prose, every story is still a big challenge. What I love most so far about them is the struggle to write them.

What fun indie comics are you reading?

I hate this question because I always leave too much good work out. So I'll give you one I haven't mentioned in interviews before: anything by Paul Grist. He owns the superhero genre right now, and he's one of the few creators out there who doesn't seem embarrassed to be doing superheroes. What do I mean by that? When superheroes aren't allowed to be heroic, the cynicism of the dark antihero (that dominates the form today) sucks all of the joy out of the genre.

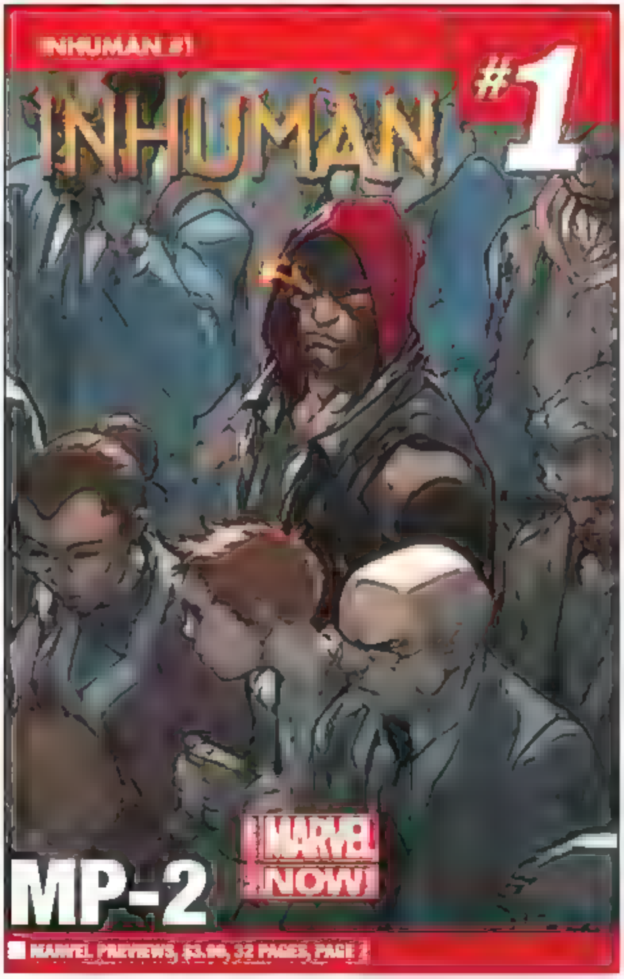
GIFTED WITH THE POWERS OF THE INHUMANS, HOW WILL A NEW GENERATION COPE?



Attacked by the forces of Thanos in the pages of *Infinity*, the Inhumans waged a desperate war to defend their secret city of Attilan, but the tide of battle turned against them and the city was sacked. The Inhumans had one last card to play, however, and Black Bolt and Maximus triggered a city-wide self-destruct device to ensure that the Inhumans' unimaginable technology would not fall into Thanos' hands. But the city's destruction had an unintended consequence — the Terrigen Mists were released into Earth's atmosphere, exposing the world to the same vapours that mutated the Inhumans and gave them their fantastic powers, randomly giving rise to thousands of newly-powered super-humans.

Who are these new super-powered humans? What fantastic powers do they have? How will they cope with their powers? Who will guide them? How will their friends and loved ones cope with the changes they have undergone? More important, how will these new super-beings use their powers? Will they change the world for the better? Or will they be a threat? Matt Fraction (*Hawkeye*) and Joe Madureira (*Savage Wolverine*) chart the stories of the newly empowered in Marvel Comics' new ongoing series, *Inhuman!*

Inhuman will introduce readers to a new cast of characters with powers both terrifying and inspiring. Some will be able to hide in society and pass for "normal," others will be mutated and monstrous. Some will use their powers to do good and make the world a better place, others will see in their powers the opportunity and ability to fulfil their selfish desires. With new powers and abilities, they will need guidance, but who will offer it to them with Black Bolt believed dead?

Infinity has opened a new era in the Marvel Universe's epic history, and into that breach steps a new generation of super-powered beings! Discover their stories in Fraction and Madureira's *Inhuman* #1, coming this January!

IN THE AFTERMATH OF INFINITY, THOUSANDS OF HUMANS EXPOSED TO THE TERRIGEN MISTS STRUGGLE WITH THEIR NEW POWERS IN MATT FRACTION AND JOE MADUREIRA'S INHUMAN!

JOSS WHEDON'S *SERENITY* RETURNS IN A NEW DARK HORSE SERIES

The saga of Joss Whedon's *Serenity* captivated science-fiction audiences a decade ago with its roguish yet relatable characters, sharp dialogue, and edgy storytelling. Fans have wondered since the tragic conclusion to the film *Serenity* what would come next for Captain Mal Reynolds and his motley crew, and this January Dark Horse Comics offers the long-awaited answer in *Serenity: Leaves on the Wind* #1!

Much as Dark Horse' *Buffy Season 8* carried the story of Buffy and her Scooby Gang past the series finale under Whedon's personal guidance, *Serenity: Leaves on the Wind* picks up from the conclusion of the film and charts the next steps for the characters as they reel from the deaths of their friends and colleagues and continue their struggle against the Alliance. Overseen by Whedon himself, his brother Jack Whedon and *Buffy* artist Georges Jeanty are going to take the crew of the *Firefly*-class *Serenity* where they have never been before!

Join Mal, Zoe, Jayne, River, and all the rest in *Serenity: Leaves on the Wind* #1, coming your way this January!

PICKING UP FROM THE END OF THE SERENITY FILM, DARK HORSE'S NEW SERIES ANSWERS THE OUTSTANDING QUESTIONS AND CONTINUES WHEDON'S SAGA!

Rebellion follows up [illegible] success of 2012's *Dredd* film starring Karl Urban as Judge Dredd with the one-shot sequel to the film, *Dredd: Underbelly*. Dredd's defeat of Ma-Ma left a power vacuum [illegible] Mega-City One, and the gangs of the criminal underworld seek to exploit and fill. Dredd and Psi-Judge Anderson have to venture into the megapolis' dark heart [illegible] mystery and save the [illegible] [illegible] Wyatt and Henry Flint's *Dredd: Underbelly*.

Ripped from today's headlines, a group of young, technologically savvy computer programmers are part of a worldwide hacker collective and use their connections to effect worldwide change in *Hacktivist* #1 from BOOM!'s Archaia imprint. Created by Alyssa Milano with art by *Red Robin's* Marcus To, *Hacktivist* takes readers into the wired world that organizations like Anonymous are using to reshape the world and challenge entrenched power!

Centuries ago, Vikings battled the elements in their rickety wooden ships and stormed across Europe and the North Atlantic, their adventures told by skalds in mead halls. One tale has been untold until now in Cullen Bunn and Joelle Jones' *Helheim* Volume 1: *The Witch War*. An undead Viking warrior Rikard was raised to fight supernatural spirits, but now he has set out on his own mission of vengeance!

HIGH SCHOOL IS TOUGH — ESPECIALLY A HIGH SCHOOL FOR ASSASSINS

It's often said that students sink or swim in high school; either they learn to survive and thrive or they sink under the weight of schoolwork and socialization and never recover. High school is a Darwinian environment, only the strongest survive, and there's no high school in the world where that's more true than *Deadly Class*' King's Dominion High School.

The students at King's Dominion are no ordinary students. They are the children of the world's greatest spies and assassins, and their classes are more about death and dismemberment than they are about diagraming sentences and squaring the hypotenuse. Rick Remender and artist Wesley Craig take you back to King's Dominion in the 1980s and introduce you to the toughest students in the toughest high school. They may be the children of assassins in training to be assassins themselves, but deep down they're just teenagers with all the hormones, angst, and "where do I fit in" moments we all faced.

It's a coming-of-age story set in the 1980s with a twist. The *Deadly Class* is the one school in the world where you don't want to get detention, so make sure you pick it up this January!

ENROLL IN A SCHOOL FOR THE CHILDREN OF THE WORLD'S GREATEST KILLERS IN RICK REMENDER'S NEW IMAGE SERIES, DEADLY CLASS!

HBO's *Game of Thrones*, based on George R.R. Martin's best-selling fantasy novels, is gearing up for its fourth season. To coincide with its launch this spring Dark Horse Comics will issue a series of molded plastic figures of some of the series' characters! Fans can choose from figures of Ned Stark, Tyrion Lannister, and Khal Drogo, each boasting a sculpt based on the actors from the series. If you love the series, add these figures to your collection this April!

THE LONE GUNMEN UNCOVER A *CONSPIRACY* AT THE HEART OF IDW PUBLISHING

Supporting characters in Chris Carter's *The X-Files* and stars of their own short-lived spin-off, the Lone Gunmen are a trio of conspiracy theorists who move in the fringes of society, seeking information on the projects government and big business want to keep secret. In January, The Lone Gunmen stumble across information that a superplague is at hand, and their quest to find the urban legends that can help them fight it will kick off IDW Publishing's next crossover event, *Conspiracy!*

Conspiracy begins with *The X-Files: Conspiracy* #1! According to information mysteriously obtained from the future, a plague will wipe out humanity, and The Lone Gunmen swing into action, hoping to find heroes who can help prevent it! This means following the trail of urban legends, and this trail will lead them to the Ghostbusters, Transformers, The Crow, and the Teenage Mutant Ninja Turtles! The story continues in January with *The X-Files: Conspiracy: Ghostbusters* #1 as the Lone Gunmen travel to New York City to investigate a quarter of parapsychologists who may be charlatans — or they may be scientists who know something about ectoplasm!

The Conspiracy event will continue in the months to come as Agents Mulder and Scully chase down their own leads to find a way to stop the coming super plague. The adventure kicks off in January's *The X-Files: Conspiracy* #1, something no X-Phile will want to miss!

ITTY BITTY HELLBOY HAS THE RED RIGHT HAND OF CUTE

75

Art Baltasar, the acclaimed creator behind *Herobear and the Kid* and *Tiny Titans*, turned his all-ages attentions to a most unexpected character -- Mike Mignola's Hellboy -- with his series for Dark Horse Comics, *Itty Bitty Hellboy*. Now his kid-friendly interpretations of Hellboy and Abe Sapien are cute, cuddly, and collectible with two new plushes from Dark Horse Comics. Aw, yeah, who ever thought that fighting demons could be so cute?

148 GREG CAPULLO DESIGNS THE NEXT WAVE OF BATMAN ACTION FIGURES

Greg Capullo quickly established himself as one of the defining Batman artists with 2011's *Batman* #1, and this spring his unique and moody interpretations of Gotham City's heroes and villains are yours to collect with the first wave of the *DC Comics Designer Action Figures!* Four figures — Batman, Nightwing, a Talon, and The Riddler — are adapted from Capullo's artwork and given three-dimensional form by DC Collectibles, making these 6 3/4" tall figures some of the most detailed, most articulated, and most dynamic Batman figures on the market!

442 THE ARTEMESIA BUST COMMANDS PERSIA'S MIGHTY FLEETS

This spring moviegoers will return to the epic war between ancient Greece and Persia in *300: Rise of an Empire*, the long-awaited companion film to Zack Snyder's blockbuster film *300*. Eva Green (*Casino Royale*, *Dark Shadows*) is Artemesia, a Persian naval commander, and Gentle Giant sculpts Green's interpretation of the legendary warrior with the *300: Rise of an Empire: Artemesia Statue*. Set sail the winter, the fate of the known world hand in the balance!

438 LADY DEATH CELEBRATES MEXICO'S "DAY OF THE DEAD"

Brian Pulido's Lady Death comes to life this winter with a new piece from The CS Moore Studio! Sculpted by Clayburn Moore, Lady Death has the visage of Death herself straight out of Mexico's Day of the Dead celebrations! The *Lady Death: La Muerta Statue* stands 12" tall, and this amazing piece will look fantastic in your collection!

This demonic confectionary mascot has been downsized to 24" tall and his appetite for souls has been replaced with a hunger for your loose change with Diamond Select Toys' latest figural bank, the *Ghostbusters: Stay Puft Marshmallow Man Bank*. Just be sure when you pick it up this winter that you don't cross the streams!

450 THE EMPEROR'S HAND STRIKES WITH A NEW BISHOUJO STATUE

Since her debut in Timothy Zahn's best-selling novel *Star Wars: Heir to the Empire* Mara Jade, the Emperor's Hand, has been one of the most popular characters of the Expanded Universe. This morally ambiguous Jedi captured Luke Skywalker's heart and she became one of his most trusted confidants. Kotobukiya sculpts the red-headed Jedi for the *Star Wars: Mara Jade Bishoujo Statue* and gives her an alluring yet dangerous pose with her hair flying and her lightsaber at the ready. Feel the Force, add Mara Jade to your collection.

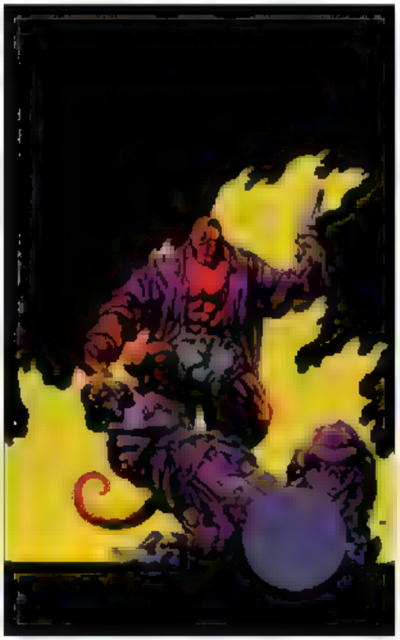
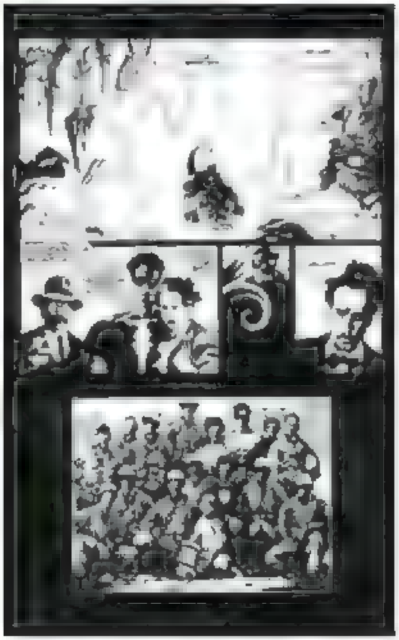
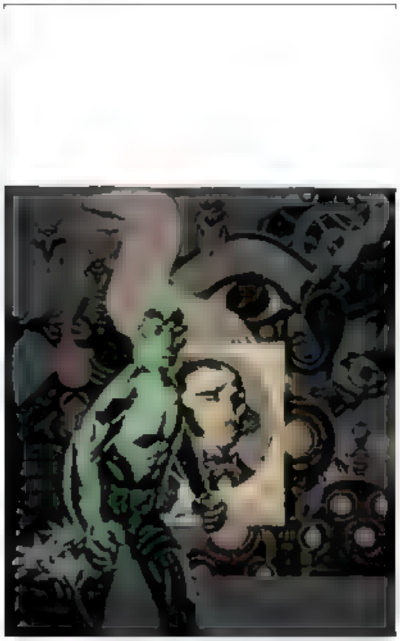
Hellboy™ © 2013 Mike Mignola.

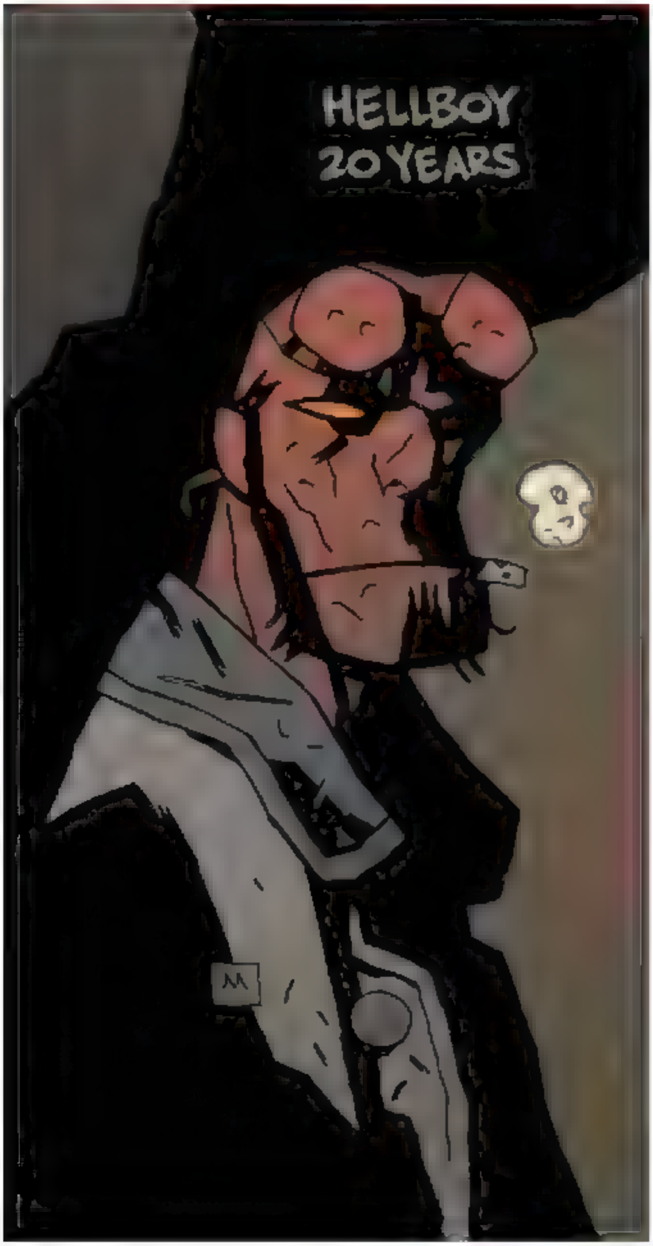
MIGNOLA!







CELEBRATING 20 YEARS OF *HELLBOY!*



BACK IN THE EARLY DAYS OF DARK HORSE, I created a list. On it were the names of the writers and artists I wanted to bring to the company: names that included the giants of the industry, as well as names representing the new talent I thought would be open to growing along with Dark Horse. I added to and subtracted from the list as time went by, but I would always refer to it before traveling to the assorted conventions we attended. One of the names on that list was Mike Mignola. Mind you, Mike was not a comics superstar in those days; in fact, I don't even remember what caused me to put his name on the list. Maybe it was the *Gotham by Gaslight* book he did for DC; it probably wasn't *Rocket Raccoon*, which he did for Marvel, but who knows now? That was a long time ago. Whatever the case, I found his work irresistible, a personal approach to art combined with an eye toward past masters, creating a unique style all his own. From the first time I saw his work, I knew I had to have him making comics with Dark Horse.

Over the years that followed, I'd track Mike down at each convention and propose that he quit working on other people's properties and start creating his own. Mike would say such things as, "Why do you want me?" or "No one would be interested." This exchange went on for some time until one day, at some now-forgotten comics convention, he walked up to me and said, "Okay, I've got a book for you, but you won't want to publish it." Well, there was no chance of that, but I asked what he had in mind. "It's called *Hellboy*," he said, "and I won't blame you if you pass." I immediately voiced my eagerness to become *Hellboy*'s publisher, and the rest, as they say, is history.

Now, twenty years later, dozens of *Hellboy* graphic novels, series, and one-shots combine with new creations such as *B.P.R.D.*, *Abe Sapien*, *Lobster Johnson*, *Witchfinder*, and *Sledgehammer* to form a sort of Mignolaverse. Nor does it stop with comics. Two feature films, two animated films, two video games, multiple toy lines, and countless other products pay tribute to the talent and brilliant mind of the self-effacing creator behind it all. By agreeing to write this piece commenting on the twentieth anniversary of Mike's horned hero and acknowledging all of his many successes, I get the opportunity to say something that can never be understated . . . Thanks, Mike, for twenty years and all you've done for Dark Horse!

—Mike Richardson

McKean uses mixed media to take readers on a journey unlike any other. "The Coast Road" follows a desperate wife trying to find her missing husband, whose ghostly image appears in unexpected ways. "Black Holes," written by an anonymous journalist, concerns the politically sensitive true story of Chinese villagers induced by the government to sell their blood, only to be infected with AIDS through poor medical practice. A myriad of personal tales fill the pages of McKean's latest achievement.

BASIL WOLVERTON'S WEIRD WORLDS: ARTIST'S EDITION HC

Basil Wolverton [illegible]

$ Please Inquire

Basil Wolverton was one of the most unusual, innovative and influential cartoonists of all time. He drew one of the most famous *Life Magazine* covers (the winner of **Al Capp**'s legendary ugliest woman contest), early issues of **Harvey Kurtzman**'s edited *MAD Comics*, and countless bizarre caricatures. This Artist's Edition features an incredible array of comic book stories and pages, including *Powerhouse Pepper* and *Spacehawk*, a selection of his classic end of the world illustrations, and a good helping of zany characters of all manner, as only Wolverton could have done them!

WHAT IS AN ARTIST'S EDITION?

ARTIST'S EDITIONS ARE PRINTED THE SAME SIZE AS THE ORIGINAL ART. While appearing to be in black & white, each page has been scanned in COLOR to mimic as closely as possible the experience of viewing the actual original art. For example, you are able to clearly see paste-overs, blue pencils in the art, editorial notes, art corrections. Each page is printed the same size as drawn, and the paper selected is as close as possible to the original art board.

BATMAN: THE SILVER AGE NEWSPAPER COMICS, VOL. 1: 1966-1967

The Silver Age Caped Crusader comes to IDW's Library of American Comics! In partnership with DC Entertainment, the Eisner and Harvey Award winning imprint gives the deluxe archival treatment to the classic 1960s **Batman** newspaper strip. The complete series, which ran from 1966 until 1972, has never been reprinted and will be collected in three definitive volumes.

The strip debuted in May 1966 on the heels of the Batmania craze resulting from the hit television program. The series boasted stories by longtime editor **Whitney Ellsworth** and art by DC stalwarts **Shelly Moldoff**, **Joe Giella**, and **Carmine Infantino**.

The first volume, reprinting all B&W dailies and color Sundays from 1966 and 1967 features an all-star list of Batman and Robin characters, including Catwoman, the Penguin, the Joker, Poison Ivy, and Batgirl!

Edited by **Dean Mullaney** and with an Introduction by **Joe Desris**

Batman was created in 1939 by **Bob Kane**

& LEE LOUGHRIDGE

JANUARY 22
32 PAGES / FC / M
$3.50

It's 1987. Marcus Lopez hates school. His grades suck. He has no money. The jocks are hassling his friends. He can't focus in class, thanks to his mind constantly drifting to the stunning girl in the front row and the Dag Nasty show he has tickets to. But the jocks are the children of Joseph Stalin's top assassin, the teachers are members of an ancient league of assassins, the class he's failing is "Dismemberment 101," and his crush, a member of the most notorious crime syndicate in Japan, has a double-digit body count.

Welcome to the most brutal high school on Earth, where the world's top crime families send the next generation of assassins to be trained. Murder is an art. Killing is a craft. At King's Dominion High School for the Deadly Arts, the dagger in your back isn't always metaphorical, nor is your fellow classmates' poison.

Join writer **RICK REMENDER** with rising star **WESLEY CRAIG (Batman)** and legendary colorist **LEE LOUGHRIDGE (Fear Agent)** to reminisce about the mid-1980s underground through the eyes of the most damaged and dangerous teenagers on Earth.

Sofawolf

The thing about wombats is, they're all engineers. That sort of culture springs naturally from generations of tunneling, burrowing, and learning how to identify a load-bearing column before it's too late.

It also explains why wombats don't generally hold with gods. Not only do gods frequently show contempt for the sound principals of physics, the ones you tend to find buried deep are bad business. Sensible wombats everywhere have no truck with that kind of thing. *Those* kinds of gods were put down in the earth for a reason, and if it takes re-routing an entire aquifer system to avoid it, then that's just how it goes.

Which is why Digger, separated from her home by a pocket of bad air and the warping properties of a forbidden burial ground, can't leave the mess she's found. Armed only with her pick axe she and the friends she's made on the surface race against time to stop the revival of the sort of god that should stay dead and gone.

Digger is a Hugo award-winning title and clearly the rational choice for a great read!

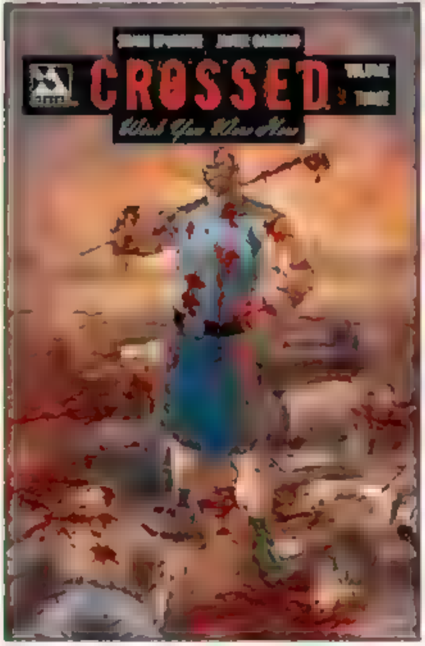
CROSSED : WISH YOU WERE HERE
VOL 3 TRADE PAPERBACK

Retail Price: $19.99
Cover: Jacen Burrows
Writer: Simon Spurrier
Artist: Fernando Melek
MR, Color, 144 pages

About: Manipulation, deceit, and petty politics rule the plague survivors living off the Scottish coast and pretending their isolated island is safe from the Crossed. But every day brings them closer to a horrible reckoning and the truth behind Shaky's past begins to reveal his hidden nature. Now the island dreamers have met up with a society living upon a floating city of derelict boats. But the feeling that something very bad is about to happen is palpable. And the survivors must decide if they should trust in their new allies or treat the uninfected with as much caution as the insane Crossed maniacs. This is the story of the search for meaning in in a world filled with homicidal lunatics. There is no help. There is no hope. There's only the Crossed. Collects the third chapter of the runaway hit webcomic from www.crossedcomic.com and available as a soft and hard cover.



"Reading this was like reading The Walking Dead, except in color, with better dialogue, crazier gore, and way more fun to read." - Shock Till You Drop

SNOWPIERCER HC

Titan Comics

Snowpiercer experiences the perfect storm as it reaches North American readers for the first time.

In the wake of a sudden ice age, most of humanity is lost and the remaining survivors now live on a self-propelling locomotive with a thousand and one cars towed behind it. The train acts as a mobile city, never stopping as it circles the globe. Like any other city, the Snowpiercer is divided into classes of people from the very wealthy up front, to the very poor at the back of the train. While the wealthy stay at the front of the train, enjoying the benefits of Earth's last resources, the lower-class are confined to the rear, struggling to survive. Now, a mutiny on the rails is evident. If the lower-class can organize a rebellion and manage to make their way to the locomotive at the front, they may be able to change their destiny and the future of humanity.

There are a lot of lesser-known comic gems out there begging for an English translation and, finally, *Snowpiercer* is now one of the lucky ones to come our way.

> WHY WE LOVE IT

The creators of *FAIRY QUEST*, Paul Jenkins (*DEATHMATCH*, *WOLVERINE: ORIGIN*) and Humberto Ramos (*SPIDER-MAN: BIG TIME*, *WOLVERINE: ONE MAN*) have created a compelling mystery thriller that is truly one-of-a-kind.

> WHY YOU'LL LOVE IT

The incredible work of Humberto Ramos unfolds a story of religious intrigue, murder, and mystery, as told by Paul Jenkins. Fans of BBC's Sherlock and Father [illegible] will not want to miss this tale of corruption through the eyes of an outsider.

> WHAT IT'S ABOUT

A potential successor to the dying pope is killed at the Vatican. Long time atheist, and hard-edged London detective, Charlie Northern, is put on the case by a Vatican priest, and long forgotten friend. He must solve the case that the local police cannot, coming face to face with hundreds of years of conspiracy and corruption in the seat of the world's most influential religion.

> WHAT IT'S ABOUT

Lonny Ballard is a man who will do anything to save his son from leukemia, but the cost of treatment has broken him financially. When he pursues an elusive murderer in the wilderness of his small, rural community, in the hopes of securing a substantial bounty, Lonny is confronted with something he never could have expected: a werewolf. The captive lycan, in human form, turns Lonny's life upside down, forcing him to confront his haunted past and race against the clock because the wolf will return, and Lonny's son's condition continues to worsen. CURSE is a story of a family's survival at all costs.

SPOOKS VOLUME 3: EL SANTERO GN

(W) Xavier Dorison, Fabien Nury
(A/CA) Christine Rossi
Cuba, 1902. Freed from its Spanish masters by US forces four years ago, the island is still occupied by its erstwhile liberators, some of whom aren't all that eager to leave. American businessmen and politicians would like to see Cuba become a full state, while the Cuban people dream only of freedom. When people begin dying and then come back to life, the SPOOKS are sent to investigate the possible involvement of a Cuban priest and rebel leader — a santero. (STK628734) (C: 0-1-2)

5. JUSTICE

ORBITAL VOLUME 5: JUSTICE GN

(W) Sylvain Runberg (A/CA) Serge Pelle
Following the Kuala Lumpur incidents, which almost prevented the Human-Sandjarr reconciliation ceremony from being held, the situation on Earth is increasingly tense. The mood has turned ugly, resulting in attacks against aliens and assassinations of isolationist personalities. Meanwhile, the circles of Confederate powers are afire with political manoeuvring, and Mezoke is on trial for high treason, a convenient scapegoat. But when the judges request that Caleb be brought out of his regenerative coma to testify, the Sandjarr agent's loyalty is put to the test. (STK628733) (C: 0-1-2)

"This is a story where I get to have my cake and eat it too. I get to work with some of my favorite characters from comic books, prose, and film, but also get to create brand new versions of each one of them. That way, I don't have to make a single one of them fit in with all of the past continuity of those characters. I get the best of both situations. Plus, I built an entire new world in which to place those characters. World-building is one of the best parts of adventure storytelling. Legenderry is the name of the world, and it is in fact a world peopled with some of the greatest legends of adventure fiction. This is my first-ever foray into the Steampunk genre, so that's another new adventure I get to go on as a writer." – **BILL WILLINGHAM**

ANT COLONY HC

NEXT BIG THING

(W/A/CA) Michael DeForge
The debut graphic novel from a dazzling newcomer with a singular, idiosyncratic style. Michael DeForge's brash, confident, undulating sensibility sent a shockwave through the comics world for its unique, fully formed aesthetic. *Ant Colony* follows the denizens of a black ant colony under attack from the nearby red ants. On the surface, it's the story of this war, the destruction of a civilization, and the ants' all too-familiar desire to rebuild. Underneath, though, *Ant Colony* plumbs the deepest human concerns — loneliness, faith, love, apathy, and more. All of this is done with humor and sensitivity, exposing a world where spiders can wreak unimaginable amounts of havoc with a single gnash of their jaws. (STK627922)

ON LOVING WOMEN GN

(W/A/CA) Diane Obomsawin
On Loving Women is an all-new collection of stories by Diane Obomsawin about coming out, first love, and sexual identity. With this work, Obomsawin brings her gaze to bear on subjects closer to home—her friends and lovers' personal accounts of first realizing they're gay or first finding love with another woman. Her stripped-down pages use the bare minimum of linework to expressively reveal heartbreak, joy, irritation, and fear. Within these pages, Obomsawin has forged a poignant, powerful narrative that speaks to the difficulties of coming out and the joys of being loved. (STK627925)

DREDD: UNDERBELLY (MOVIE SEQUEL) ONESHOT

Rebellion/2000 AD

Judge Dredd, Britain's poster child of justice, is seeing a resurgence these days, most recently with the film adaptation *Dredd*, starring Karl Urban as the titular man himself. The movie has been a long-time-coming with Dredd fans but now, Rebellion continues the momentum with a straight-to-comic sequel.

Following the events of the film, the urban gangs that terrorize Mega City One are as rampant as ever and an influx of mutant bodies are piling up, indicating a possible smuggling operation. With the help of his rookie partner, Psi-Judge Anderson, it's just another day for Judge Dredd on the toughest police beat of the future.

Written and illustrated by veteran *2000 AD/Judge Dredd* regulars, Arthur Wyatt and Henry Flint, respectively, this comic sequel is an obvious read for fans of Judge Dredd and the recent *Dredd* film alike. *Dredd* has received positive reviews and a cult following among movie fans, inciting a strong online campaign for a film sequel. It's obvious that Dredd's fans are growing and Rebellion is ready to feed that itch for more content.

THE HARTLEPOOL MONKEY HC
(W) Wilfrid Lupano
(A/CA) Jeremie Moreau
1814, near the little village of Hartlepool England, a war-ship in the Napoleonic fleet sinks. Amid the wreckage, fishermen discover a survivor: a monkey dressed in full military regalia, the mascot of the shipwrecked French vessel. The people of Hartlepool despised all Frenchmen and, though they have never seen a Frenchmen — or a monkey for that matter, the ape unfortunatly found himself court martialled. Inspired by the famous legend of the Hartlepool monkey, this is a tragi-comic fable of war and jingoism, of xenophobia and ignorance and of the glimmering of enlightenment. (STK628547) (C: 0-0-1)

ROLL HARD GN

Adventurist Corp

War — undoubtedly one the hardest genres to tackle in comics. Even harder is a war comic that tackles events that took place in Baghdad, Iraq in 2004. Enter comics veteran Billy Tucci and journalist/author Robert Young Pelton with their graphic novel *Roll Hard*.

Take a drive down "IED Alley" (that's short for Improvised Explosive Device, or car bomb, Alley) with the Mamba Team. A "new breed of warrior" made up of ex-military servicemen, cops, and private security people, their only job is transport cargo and people every day down the deadliest 12-mile stretch of Baghdad road. This is a misfit group and this is their untold, misfit story.

Billy Tucci's wonderfully realistic and detail-oriented writing and drawing style capture the events that take place on "Route Irish" in a hyper realistic way that literally shoves you right into the action. With its attention to accuracy, *Roll Hard* is a comic war-buffs will definitely want to have! But with its compelling, true story and full-bodied characters any casual reader will be glad they gave it a read.

ROY THOMAS PRESENTS COLLECTOR'S PACK

(W) Carmen Infantino & Various (A) George Evans & Various

Thanks to the tireless Roy Thomas (yes, that man has no tires), PS's *Roy Thomas Presents* series has become the flagship of the company's reprint project, but there are a few folks yet to sample the goodies on offer. Boo! But fear not because, always sympathetic to those folks who need a little extra incentive (gentle persuasion, blackmail, out-and-out threats), we're making available, at a special pre-Christmas price, three volumes culled from Roy's *RTP* series starting with the first four issues of the legendary *Planet Comics*, the premier book of adventures of comicdom's first muck monster *The Heap*, plus the complete series featuring the one-time TV swashbuckler *Captain Video* and his Video Rangers. And, as long as supplies last, we're even throwing in a copy of our *Showcase* sampler containing everything we've been doing so far. (STK627519) (C: 0-1-2)

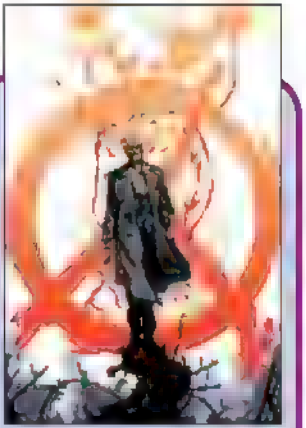
THE TALES OF MR. RHEE TP

Devils Due Entertainment



Sometimes calling 911 just doesn't the mustard. I mean, who would you call if your pesky neighbor turned out to be a blood sucking vampire? Who can your turn to when faced with evil sorcerers with pointy goatees conducting illicit demonic rituals? With the police ill equipped to handle the villainous evils of the paranormal world you need to call in a specialist. That's where Mr Rhee, paranormal troubleshooter extraordinaire, leaps to the rescue.

The Tales of Mr Rhee from Devil's Due Entertainment brings readers to a dark fantasy world where the protagonist is just trying to make an honest living in a world where everything from vampires to demonic possessions is reality. Written by Dirk Manning (*Dia de los Muertos*) *The Tales of Mr Rhee* hits on all of the key horror elements without skimping on any gore or violence but it is tempered by a light hearted and quirky sense of humor throughout the book.

Collecting the complete series along with several never before published stories and content, be sure to check out this new trade paperback from Devil's Due Entertainment!

A CENTAUR'S LIFE VOLUME 2 GN

(W/A/CA) Kei Murayama

Being a teenager is never easy. . especially for a centaur! Himeno is a sweet, shy girl, who like many teens her age, struggles with the trials and tribulations of attending high school. The difference is she's a centaur, but she's not alone. In fact, all of her classmates are supernatural creatures, sporting either horns, wings, tails, halos, or some other unearthly body appendage. Yet despite their fantastical natures, Himeno and her best friends — the dragon-winged Nozomi, and Kyoka with her spiraled horns — are down-to-earth, fun-loving teenagers who grapple with issues of life and love in a mostly normal daily school setting. *A Centaur's Life* features quirky and adorable artwork presented in oversized editions that include a color insert in each volume. DRAGONAR ACADEMY VOLUME 1 GN

(W) Shiki Mizuchi

(A/CA) Ran

Dragonar Academy is the all-new manga series about a boy who is trying to tame an unruly — and very pretty — dragon, and is perfect for fans of magic schools, fantastical creatures, and harem comedies! Learning to ride and tame dragons comes easy to most students at Ansarivan Dragonar Academy — except for first-year student Ash Blake, who is known by his fellow classmates as the "number one problem child." Poor Ash is the laughing stock at school because, despite his unfashionably large star-shaped brand that marks him as a future dragon master, he has nothing to show for it. His dragon has never appeared. Until now, that is. One fateful day, Ash's dragon awakes in full glory, but appears different than any dragon ever seen before — in the form of a beautiful girl! What's worse, Ash soon discovers that this new dragon has attitude to spare, as she promptly informs him that she is the master and he, the servant. Ash's problems with dragon riding have only just begun. Each volume is delightfully illustrated and includes color inserts. (STK627482) (C: 0-1-1)

Strike Witches is the highly popular "dieselpunk" franchise that spans manga, light novels, video games and anime. The series reimagines World War II as a confrontation between the allied human forces and an invading alien menace. In 1939, an enigmatic alien force called the Neuroi launched a widescale invasion of Earth, destroying nation after nation. Humanity's last hope at survival is to form an international elite fighting force of flying aces known as the *Strike Witches*! These young women possess innate magical powers and have been equipped with the latest in military technology: Striker Units, which provide the user with a unique array of weaponry that can only be controlled by magic. Enter a young healer named Yoshiko Miyafuji, the newest inductee into the 501st Joint Fighter Wing. Yoshika may be opposed to the military, but if she wants to survive, she better learn quick from veteran ace and strict disciplinarian, Mio Sakamoto, just exactly what it means to be a Strike Witch! (A/CA) Crimson
World War Blue is an all-new fantasy manga series inspired by the "console wars", the historic struggle for market share between manufacturers in the video game industry. In the continent of Consume, an endless war rages between bitter rivals, the Segua Kingdom vs. the Ninteldo Empire. Upon his dinosaur steed, the stern Emperor Marcus has led the Ninteldo Empire to near-victory. Now, with the majority of Consume under its control, Ninteldo has Segua up against the ropes. Enter a fleet-footed lad named Gear, who seeks vengeance against Ninteldo for his brother's death. After joining Segua's Army, Gear is enlisted in the Special Forces, due to his amazing speed. Yet the inexperienced, hasty youth may not be ready for the realities of war — or he might just become the Segua Empire's last and greatest hope! Leaky faucet? Call a plumber. For real problems, call *Troubleshooters, Incorporated*, the world's first supernatural superhero team-for-hire! For the right price, Silver Oak (a wizard), Night Stalker (a werewolf), Yolanda (a sorceress), Shadowmist (a female ninja), and Lightshow (a hi-tech-armored roadie) are ready to take your case. Edward Vanderland III is exactly the kind of client TSI is looking for as their first assignment: a millionaire threatened by evil spirits, he's offering $50,000 for protection. Sounds like a simple enough job for a band of fledgling heroes. Maybe too simple. As it turns out, Vanderland's enemies — perhaps even Vanderland himself — are a lot more dangerous than the Troubleshooters were expecting. MONSTER ON THE HILL GN
(W/A/CA) Rob Harrell
In a fantastical 1860s England, every quiet little township is terrorized by a ferocious monster — much to the townsfolk's delight! Each town's unique monster is a source of local pride, not to mention tourism. Each town, that is, except for one. Unfortunately for the people of Stoker-on-Avon, their monster isn't quite as impressive. In fact, he's a little down in the dumps. Can the morose Rayburn get a monstrous makeover and become a proper horror? It's up to the eccentric Dr. Charles Wilkie and plucky street urchin Timothy to get him up to snuff, before a greater threat turns the whole town to kindling. (STK530296)

O/A LOU SCHEIMER: CREATING FILMATION GENERATION SC

(W) Andy Mangels (A) Lou Scheimer

Hailed as one of the fathers of Saturday morning television, Lou Scheimer was the co-founder of Filmation Studios, which for over 25 years provided animated excitement for TV and film. Always at the forefront, Scheimer's company created the first DC cartoons with *Superman*, *Batman*, and *Aquaman*, ruled the song charts with The Archies, kept Trekkie hope alive with the Emmy-winning Star Trek: The Animated Series, taught morals with Fat Albert and the Cosby Kids, and swung into high adventure with Tarzan, The Lone Ranger, and Zorro. Forays into live-action included Shazam! and The Secrets of Isis, plus ground-breaking special effects work on Jason of Star Command and others. And in the 1980s, Filmation single-handedly caused the syndication explosion with He-Man and the Masters of the Universe and its successors. Now, with best-selling co-author Andy Mangels, Lou Scheimer tells the entire story, including how his father decked Adolf Hitler, memories of the comic books of the Golden Age, schooling with Andy Warhol and what it meant to lead the last all-American animation company through nearly thirty years of innovation and fun! Profusely illustrated with photos, model sheets, storyboards, presentation art, looks at rare and unproduced series, and more — plus hundreds of tales about Filmation's past, and rare Filmation-related art by Bruce Timm, Adam Hughes, Alex Ross, Phil Jimenez, Frank Cho, Gene Ha, and Mike McKone — this book shows the Filmation Generation the story behind the stories! O/A MODERN MASTERS VOLUME 15: MARK SCHULTZ SC

(W) Fred Perry (A/CA) Mark Schultz

The mid-'80s were the age of independent Comics. And it was also the Age of the Dinosaurs, thanks to Mark Schultz and *Xenozoic Tales*! Evocative of the master illustrators of the early 1900s, but with a decidedly modern flair, Schultz's artwork took off in *Xenozoic Tales*, and later spawned the *Cadillacs & Dinosaurs* cartoon and toy line. This book takes an exhaustive look into Schultz's creative process. (STK354315)

ZORRO: THE COMPLETE DELL PRE-CODE COMICS HC

Hermes Press

I didn't know who Johnston McCulley was, but his creation Zorro would become one of my favorite action heroes from the moment I saw *Mark of Zorro* starring Tyrone Powers and the silent films with Douglas Fairbanks. In the pre DVR/DVD/VHS era, comics like Dell Comics were the only way you could revisit your favorite movie or TV show.

While many comic fans are familiar with Alex Toth's rendition of *Zorro*, there were many previous adaptations of the original source material and movies. Dell was the publisher of most of those stories and Hermes Press has now made those available in their *Zorro: The Complete Pre-Code Comics* hardcover collection. The stories collected in this book haven't been printed in over sixty years, starting with *Four Color* #228 where Dell introduced Zorro in a comic based on McCulley's original story. Featuring art by the extremely talented Everett Raymond Kinstler, his illustrative art style shows a romanticism not usually found in "kids' comics." With six other *Four Color* comics collected in this book, *The Pre-Code Collection* is an excellent companion book to Hermes Press' Alex Toth collection.

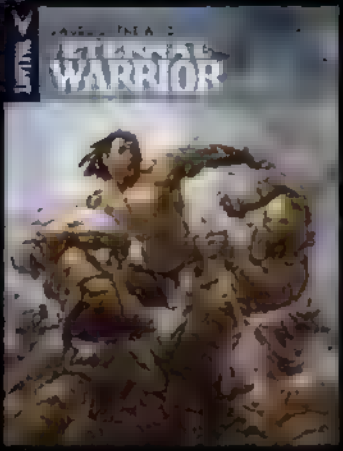
ETERNAL WARRIOR VOL. 1: SWORD OF THE WILD TPB



Soldier. Guardian. Warrior. Legend.

Across two millennia and a thousand battlefields, Gilad Anni-Padda has traversed the darkest, most mysterious corners of history. But the horror and bloodshed of constant warfare has finally taken its toll on the man myth calls the Eternal Warrior...and he has abdicated his duties as the Fist and the Steel of Earth for a quiet life of seclusion. But when a blood vendetta from the distant past suddenly reappears in the modern day, he must decide if he will return to the ways of war...for the child who betrayed him thousands of years ago...

From New York Times best-selling writer Greg Pak (Planet Hulk) and superstar artists Trevor Hairsine (X-Men: Deadly Genesis) and Clayton Crain (Carnage), this volume collects the first four issues of the series that Comic Vine calls "action-packed, well-written, and overflowing with potential."

BLACK BUTLER VOLUME 16 TP

(W/A/CA) Yana Toboso

A #1 *New York Times* bestseller! The butler of Phantomhive manor is simply too good to be true...or perhaps he's just too good to be human... Earl Ciel Phantomhive and his invincible butler Sebastian may have succeeded in sneaking their way into the elite Weston College, but their investigation quickly hits a wall. To earn an audience with the headmaster, Ciel's only option is to attend the "Midnight Tea Party," an exclusive gathering hosted by the elusive head of the school. And the only way a lowly first former like Ciel, earl or no, can land a seat at that table is by being elected the Most Valuable Player in the College's annual storied cricket tournament. Selected from each house, students in the springtime of youth battle it out among the wickets on the spring-green lawn. Will the usually unperturbed young earl be bowled over by this unexpected turn of events?! (STK627459) (C: 0-1-1)

HIGURASHI WHEN THEY CRY VOLUME 24: FESTIVAL ACCOMPANYING ARC PART 3 GN

(W) Ryukishi07 (A/CA) Karin Suzuragi

A sleepy town in rural Japan turns grisly in this chilling horror series, a *New York Times* manga bestseller! After endless cycles of tragedy, Rika at last finds herself in an incarnation where she knows the true culprit behind her murder. But with only a week before the Cotton Drifting Festival-and her demise-she and Hanyu are going to have to work fast to devise a counter-strategy. The past has shown that Rika can count on her friends for support if she is open with them about her fears. Even so, if she wants to unravel the plot that will ultimately destroy Hinamizawa, she's going to need help in higher places-but what evidence would convince an adult that the little girl's fear of death is founded? (STK627460) (C: 1-1-1) **NOTE:** Available only in the United States, U.S. Territories, Canada, and the U.K.

(W/A/CA) So-Hee Park

Becoming a princess is every girl's dream, but when an arranged marriage brings common high schooler Chae-Kyung to the palace, the royal life isn't at all what she expected! When a leisurely hot-springs trip with the Queen Mother intended to bring the future royal couples closer throws Prince Shin, Hyo-Rin, Yul, and Mi-Roo together, fireworks are on the horizon. It quickly becomes painfully clear to all involved-especially Hyo-Rin-that Shin has his ex-wife, Chae-Kyung, on his mind. And when Yul and Shin find themselves alone, Shin confronts Yul, asking him to come clean about his part in Shin's divorce from Chae-Kyung! To make matters worse, Shin isn't the only one with sneaking suspicions about the divorce. The king is about to throw himself into the fray by taking Yul to task! (STK627475) (C: 0-1-1)

CG GALAXY VOLUME 2: TOP CHINESE CG ARTISTS AND THEIR WORKS SC

(A) Various

The growth of the game industry in China since the turn of the millennium has been truly astounding. Internationally recognized and award winning Chinese designers find themselves in high demand with game giants such as Electronic Arts and Ubisoft. Often the unsung heroes of the industry, game designers spend countless grueling hours creating compelling characters through which we inhabit virtual worlds. The artists collected here give voice to their imaginings through thoughtful interviews and galleries of their artwork created in a variety of mediums, including sculpture. One of the most popular international surveys of contemporary fantasy art, the *Fantasy+* series now turns its lens on the pervasiveness of the genre in all aspects of popular culture. From advertising to book design and illustration, modeling to game design and film animation, the artists continue to expose the public at large to new realms of the imagination. Choosing one representative artist in each category for an in-depth interview, this book looks to highlight the latest developments in the field as well as showcase potential for artistic growth. FROHLICH HC

(W) Jan Helford (A/CA) Brandi Milne

A beautifully designed monograph by young painter Brandi Milne whose soft-spoken style has risen above the noisy roar of the alternative art scene. Milne grew up happily surrounded by a wealth of inspiration — classic cartoons, crayons and coloring books, Sid and Marty Kroft creations, toys, candies, and the kitchy fabrics and notions of the times. Self-taught and emotionally driven, Milne's work speaks of love, loss, pain and heartbreak. She decorates it oddly with a wink of humor and a delicious candied-coat finish, a combination that can be highly addictive to viewers around the world. (STK628428) (C: 0-1-1)

JUXTAPOZ PSYCHEDELIC HC

(A) Stanley Mouse & Various

Psychedelic Art manifested first in literary contexts with Rimbaud, Huxley, and then later Ginsberg and Burroughs. As the movement gained momentum in the 1960s, visual artists became catalyzed and "turned on" by the psychedelic experience. *Juxtapoz Psychedelic* bridges the musings of these early explorers of the form with those working in metaphysical and surrealistic modes today. THE ART OF BOB PEAK HC

(W) Tom Peak (A/CA) Bob Peak

For the first time, a comprehensive overview of the life and art of Bob Peak. Peak came on the New York advertising scene in the early 1950's and went on to become one of the most prolific illustrators of the 21st century. His artistic vision represented a bridge between the era of Norman Rockwell and Coby Whitmore to more direct ways of making pictures. In 1992 after over 100 Movie Campaigns including his iconic images for such films as *My Fair Lady*, *Camelot*, *Star Trek*, and *Apocalypse Now*, he was awarded the Lifetime Achievement Award by the Hollywood Reporters for his contribution to the film industry. THE ORIGINS OF COMICS: FROM WILLIAM HOGARTH TO WINSOR MCCAY HC

(W) Thierry Smolderen
(A) Rudolph Dirks & Various

In *The Origins of Comics From William Hogarth to Winsor McCay*, Thierry Smolderen presents a cultural landscape whose narrative differs in many ways from those presented by other historians of the comic strip Rather than beginning his inquiry with the popularly accepted "sequential art" definition of the comic strip, Smolderen instead engages with the historical dimensions that inform that definition. His goal is to understand the processes that led to the 20th-century comic strip, the highly recognizable species of picture stories that crystallized around 1900 in the United States. In the next issue of *The Official Star Trek Magazine*, we follow the journeys of prominent Trek characters who stepped away from Starfleet to explore the universe on their own terms. We turn the spotlight on galactic irritants Q and Trelaine in archive feature "Time's Arrow" and discover that death was no barrier to the adventures of Captain James T. Kirk. We also speak to not one but two Christopher Pikes, in exclusive interviews with Bruce Greenwood and Sean Kenney, plus there's new original fiction direct from *Star Trek Online*. Featuring all the latest *Star Trek* news, merchandise reviews, and fun competitions. Available in Newsstand and *PREVIEWS* Exclusive editions. (STK628758) (Titan) (C: 0-1-1)

DC COMICS NIGHTWING NEW 52 ARTFX+ STATUE

Kotobukiya's line of DC Comics "New 52" ARTFX+ Statues continues after the beautiful and powerful Supergirl with one of the most popular and highly requested DC characters, NIGHTWING!

Sculpted by Atelier Bamboo, Nightwing stands just over 7 inches tall (in the ARTFX+ 1/10 th scale) atop his included display base with magnets in his feet for added stability. As a member of the "Batman Family" Nightwing is sure to be very popular, and he looks great displayed on his own or alongside his dark and brooding mentor from the original ARTFX+ Justice League lineup!

The Dark Knight shows us the skeletons in his closet with these three great new shirt designs. Bat-Zombie depicts the lean and mean Batman as depicted by Neal Adams. Joker: Bats featuring art by Jock, shows what happens when you have a bad case of Batman-on-your-mind. Both are imprinted on black 100% cotton heavyweight shirts. Last but not least, we have the special *Arkham Asylum: My Name is...* *T-Shirt*. Screenprinted on both front and back, this shirt is another addition to our illustrious line of fine Arkham apparel.

Dawn Sinful Suzi Resin Bust

A Diamond Select Release! The angelic artwork of comic creator Joseph Michael Linsner has long haunted our dreams, but his devilish artwork is pretty dreamy, too! Sinful Suzi is in many ways the opposite of Linsner's Dawn character, but she's just as easy on the eyes, and this 6.5-inch resin bust captures the horned harlot in a red corset that just won't stay on. Based on a print by Linsner himself! Sculpted by Jerry Macaluso!

REACTION FIGURES: ALIEN ACTION FIGURES

From Funko & Super7! What if Kenner had actually produced their line of proposed Alien action figures back in 1979? One of the most unique and highly anticipated toys of San Diego Comic-Con 2013 was the pre-order and launch of Super7's ReAction Figures *Alien* line! From the "Lost Prototype" 2-pack and Early Bird Kit to the full reveal of the final *Alien* ReAction figures, the collector community was in a frenzied state over this new "retro-style" look of toys within the action figure community. Now, the ill-fated crew of the *Nostromo* and the title creature from the 1979 SF thriller return as these collectible 3 3/4" figures! Choose from '70s-style figures of the *Alien*, *Ripley*, *Dallas*, *Ash*, and *Kane*! Collector-friendly blister card packaging. (STK627330) **Item has been previously solicited in *Previews Plus.*** Scheduled to ship in December 2013. (4552/3813) (C: 1-1-2) **NOTE:** Not available in Australia and New Zealand.

BULLITT 1968 MUSTANG GT FASTBACK 1/18-SCALE DIE-CAST

One of the greatest car chases ever captured on film comes from the 1968 classic, *Bullitt*, starring Steve McQueen as Frank Bullitt. Running 10 minutes and 53 seconds, the chase begins at San Francisco's Fisherman's Wharf area and flies across the city, finally coming to a violent stop outside the city at the Guadalupe Canyon Parkway in Brisbane, California. Steve McQueen might have been the star of the movie, but for those 10 minutes, the real star was the car: the '68 Ford Mustang GT Fastback. Featuring a 325hp V8 engine under the hood and a striking Dark Highland Green paint job, nothing could stop this car or its driver. This 1/18-scale die-cast captures this classic movie car in all its glory. Window box packaging. (STK627413) Scheduled to ship in January 2014. GAME OF THRONES: ICE, THE SWORD OF EDDARD STARK REPLICA

The *Game of Thrones Collection* is a series of collectible weapons and armor painstakingly recreated from the actual props used on HBO's hit fantasy epic *Game of Thrones*. The officially licensed collectibles are made from the highest quality materials and have been crafted with special attention to reproduce the authentic details found on the props. Stoic, duty-bound and honorable, Ned Stark embodied the values of the north. In moving to King's Landing to serve as Hand to his longtime friend Robert Baratheon, Ned fell on the wrong side of court intrigues and paid for it with his life. The sword's overall length is 57 1/2" with a blade length of 42". It includes a display plaque and a Certificate of Authenticity. (STK627446) Scheduled to ship in January 2014. GAME OF THRONES: STARK INFANTRY SHIELD REPLICA

The Starks reigned as Kings in the North until the Targaryen conquest and served as the region's warden for nearly 300 years. Following the imprisonment of his father, Robb Stark called his banners and marched his army south to free Lord Eddard. When Joffrey proved his cruelty, the North rebelled against the Iron Throne and declared itself an independent kingdom once again. Their army has since marched from victory to victory, due in no small part to the loyalty of the Northern soldiers to the Starks. Each shield is individually serialized and will come with a Certificate of Authenticity. It also includes a wall mount with slots that will accept most swords to allow you to display up to three of your favorite swords behind the shield. (STK627443) Scheduled to ship in January 2014. ASSASSINS
KENWAY

ASSASSIN'S CREED IV: EDWARD KENWAY RESIN STATUE

From McFarlane Toys! The year is 1715. Pirates rule the Caribbean and have established their own lawless Republic. Among these outlaws is a brash young captain named Edward Kenway. His fight for glory has earned him the respect of legends like Blackbeard, but also drawn him into the ancient war between Assassins and Templars, that may destroy the Golden Age of Piracy. A new hero for a new era, *Assassin's Creed IV: Edward Kenway, The Assassin Pirate* is a new collector's piece inspired by the next chapter in the Ubisoft franchise: *Assassin's Creed IV: Black Flag*. This highly detailed statue faithfully reproduces the look of Edward Kenway as seen in the video game, showcasing the character's new weapons and skills. (STK628436) Scheduled to ship in January 2014. (8348/81011) (C: 1-1-2) **NOTE:** TMP items - Available only in the United States, U.S. Territories, Canada, and the U.K.

AVENGERS: THE HULK 1/9-SCALE ACTION HERO VIGNETTE

From Dragon Models! Dragon Models and DART (Dragon Advanced Research & Technology) are excited to introduce our latest innovation in 3D technology, *Marvel Avengers Action Hero Vignettes* in 1/9 scale. Pre-painted and with just the snap of a few parts, you can have a highly detailed desktop display of your favorite Avenger! A hybrid between a display figure and a kit, Dragon brings you the best of both worlds. The use of model kit techniques allow us reproduce the intricate details and sharp lines to maximize the usage of the official 3D character scans. The use of the static display concept ensures that there are no cooling lines on the torsos and no visible ball joints that are prominent in most "action" figures. Additionally, the figures are set in a Marvel suggested pose so that the body portions won't be deformed when the poses are changed (STK627264) Scheduled to ship in January 2014 (4667/38105) (C: 1 1 2) **NOTE:** DST Marvel items - Available in North America, Latin America, and the European Union.

Loosely based on Hans Christian Andersen's "The Little Mermaid," this is a hand drawn feature-length film. The art of the film involves not only cel, but also striking watercolor and pastel concept sketches and layout pages. Interviews with production principals about their daring choice to hand draw a film in the age of CGI and the screenplay complete the package. (STK38624 , 298) (C: 1-0-0)

HORUS RISING

WARHAMMER 40K:
HORUS RISING TP

(W) Dan Abnett

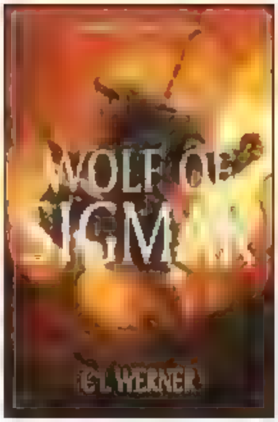
In the 31st millennium, under the benevolent leadership of the Immortal Emperor, the Imperium of Man has stretched out across the galaxy. It is a golden age of discovery and conquest. But now, on the eve of victory, the Emperor leaves the front lines, entrusting the great crusade to his favourite son, Horus. Promoted to Warmaster, can the idealistic Horus carry out the Emperor's grand plan, or will this promotion sow the seeds of heresy amongst his brothers? Horus Rising is the first chapter in the epic, ongoing tale of the *Horus Heresy* (STK629102) (C: 0-1-2)
SC, 6x9, 416pgs, B&W $16.00

PATH OF THE ELDAR

WARHAMMER 40K:
PATH OF THE ELDAR SC

(W) Gav Thorpe

An alien eldar sets upon the Path of the Warrior. He finds solace in battle until he is almost killed by orks, but a greater challenge yet awaits him — an Imperial invasion. Collecting Gav Thorpe's trilogy of novels — *Path of the Warrior*, *Path of the Seer*, and *Path of the Outcast* (STK629107) (C: 0-1-2)
SC, 5x7, 986pgs, B&W $17.50



WARHAMMER:
WOLF OF SIGMAR SC

(W) C. L. Werner

The Black Plague has done its work, and the ravaged Empire is ripe for the picking. As the dread armies of the skaven sweep across Sigmar's realm, each of the great cities looks to its own defense — except Middenheim. As he gathers warriors to his banner and liberates towns and villages from the verminous menace, Graf Mandred begins to embrace his destiny as the future leader of a united Empire — if he can survive the trials to come. (STK629106) (C: 0-1-2)
SC, 5x7, 416pgs, B&W............ $14.00

MARK OF CALTH

WARHAMMER 40K:
MARK OF CALTH MMPB

The Heresy came to Calth without warning. In just a few hours of betrayal and bloodshed, the proud warriors of the XIIIth Legion — Guilliman's own Ultramarines — were laid low by the treachery of their erstwhile brothers of the XVIIth. Now, as the planet is scoured by solar flares from the wounded Veridian star, the survivors must take the fight to the remaining Word Bearers and their foul allies, or face damnation in the gloomy arcology shelters beneath the planet's surface. The battle for Calth is far from over! (STK629101) (C: 0-1-2)
SC, 5x7, 416pgs, B&W $9.99

UNREMEMBERED EMPIRE

WARHAMMER 40K:
UNREMEMBERED EMPIRE TP

(W) Dan Abnett

The unthinkable has happened — Terra has fallen to the traitor forces of Warmaster Horus! Nothing else could explain the sudden disappearance of the Astronomican's guiding light at the heart of the Imperium, or so Roboute Guilliman would believe. Ever the pragmatist, he has drawn all his forces to Ultramar and begun construction of the new empire known as Imperium Secundus. Even with many of his primarch brothers at his side, he still faces war from without and intrigue from within — with the best of intentions, were the full truth to be known it would likely damn them all as traitors for all eternity. PATHFINDER ADVENTURE PATH: WRATH OF THE RIGHTEOUS PART 6: CITY OF LOCUSTS

The heroes of the Fifth Crusade have risen to heights of power undreamed of and have dealt blow after blow to the demonic armies of the Worldwound. As they return to Golarion from the Abyss, though, they find that their enemies are no longer sending minions after them — they've drawn the attention of not only the leaders of the Worldwound, but that of their demonic patron, Deskari, Lord of the Locust Host. The method for closing the Worldwound permanently lies within the heroes' grasp, but in order to do so they must venture where no crusader has ever returned from intact. They must enter the crumbling City of Locusts to defeat its demonic ruler, but even this is but a stepping stone to the final battle against Deskari himself! (STK627787) (C: 0-1-2)

AQUARION EVOL SEASON 2 PART ONE

From FUNimation! After accidentally forming the legendary mecha "Aquarion," Amata finds himself at a pilot-training academy where the flirty girls love to get a rise out of him, and the boys seem more interested in exploring mysterious holes and big bangs than harnessing their Elemental superpowers. It's all awkward dates, hijinks, and threesomes until otherworldly beings start abducting powerful female students. As a mysterious megalomaniac plots interplanetary disaster, the fate of the galaxy depends on whether or not the hormone-fueled academy co-eds can come together to fight evil. Set 12,000 years after the events of *Aquarion,* this series from the studio behind *Fairy Tail* and *Macross* builds on the mythos of the original while introducing a new group of lovers and fighters all heading toward one epic climax. From Sentai Filmworks! In the blink of the mind's eye, Ryuta Sakamoto suddenly finds himself transported from playing the hit *BTOOOM!* video game to being stranded on a mysterious island. He's equipped with a day's worth of provisions, a bag of bombs, a strange crystal embedded in his left hand and a huge gaping hole in his memory. But it doesn't take long to figure out what's going on, especially after the first person Ryuta meets tries to kill him. Someone is attempting to recreate the ultra-violent *BTOOOM!* game in real life, and the island has been filled with an army of other unwilling players, each armed with one of the multiple variants of explosive weapons called BIM. Fortunately, Ryuta's an ace *BTOOOM!* player, but this insane version of the game has no reset switch or second lives, and there's only one way off the island: kill seven other people before they can kill you! Can Ryuta repurpose his game-based skills fast enough to survive this ultimate battle royale? The action is ultra-violent, ultra-graphic and ultra-lethal as the ultimate blood sport is unleashed in *BTOOOM!* Available in Blu-Ray and DVD formats. (STK627412) (C: 0-1-1)

EUREKA SEVEN: THE COMPLETE SERIES

Not Final Art

From FUNimation! For Renton, every day's the same. Nothing happens, nothing changes. He goes to school, he goes home. The only thing that keeps him happy is lifting on his ref board. Then one day, a giant mecha called an "LFO" comes crashing down on him — literally — and inside is the most beautiful girl he's ever seen! Of course, the girl is on the run, and the mecha is stolen, and she's brought the force of the military down on both of them in their pursuit the stolen mecha. Renton will have to summon up all his courage to face his childhood hero, get the girl he's hopelessly smitten with to like him and, ultimately, live up to the legacy of his father... who saved the world. Well, at least things aren't boring anymore! Available in Blu-Ray and DVD formats. (STK628269) (C: 0-1-1)

KOKORO CONNECT: THE OVAS

From Sentai Filmworks! They've already had their bodies swapped like musical chairs, had their ages changed at random and experienced their deepest desires taking control of them without warning, but if you thought Heartseed was finished with Taichi, Iori, Himeko, Yoshifumi and Yui, you've got another think coming. Now there's a new affliction going around, and the name of this peculiar bug is emotion sickness. As in, suddenly your emotions jump out of your body and sic someone else. Needless to say, that's more than simply awkward. If you've got a deep rooted phobia like a fear of men or repressed emotions that you've been trying to keep hidden, but in some situations it can literally be deadly. What is Heartseed up to this time, and why is he making our heroes involuntarily share their innermost dirty laundry? Get ready for another trip through the emotional wringer in *Kokoro Connect: The OVAs!* Available in Blu-Ray and DVD formats. (STK627424) (C: 0-1-1)

GIRLS UND PANZER TV COLLECTION

From Sentai Filmworks! You may have heard of kung fu, but the girls at Oarai Academy practice "gun-fu" — really, really BIG gun-fu, in fact. It's called Tankery, and it's the martial art of operating armored tanks! And even though the Tankery program at Oarai has been defunct for years, the student council has taken a sudden interest in the art, and no one they set their sights on is safe! Which is how Miho Nishizumi, who transferred to Oarai specifically to stay out of tanks, gets drafted to join the newly revived Tankery division! But it's not all bad, because joining her in Team Anglerfish are her newfound friends Saori, the highly receptive radio operator; Hana, a flower arranger-turned-gunner; Mako, their brilliant, but chronically sleepy driver; and combustible tank fangirl and loader Yukari. They may not be on the *half-track* to fame and fortune, and maybe some of them would rather shop for tank tops than become tops in tanks, but once their focus is locked and loaded, they're absolutely driven! It's mad, it's metal, and mayhem is guaranteed! It's *Girls und Panzer!* Available in Blu-Ray and DVD formats. (STK627405) (C: 0-1-1)

HUMANITY HAS DECLINED

From Sentai Filmworks! For years, declining birth rates have forced what's left of the human race to cede more and more territory to other beings who have appeared to take advantage of the emptying ecological niche. Now, only a handful of humans remain among the remnants of civilization and Earth is dominated by faeries — tiny, ten-inch-tall creatures of surprising intelligence. But humanity's importance isn't over quite yet, as young Watashi learns as she makes the decision to return to her hometown and assume her grandfather's position as an arbitrator between the races. Unfortunately, the job isn't going to be anywhere near as simple as she expected, and it's going to take wisdom far beyond her years to achieve her most important mission. Because it's not about how often you fall and fail, it's about how often you get back up and try again, and the human race still has a lot left to accomplish in *Humanity Has Declined.* Available in Blu-Ray and DVD formats. NYAN KOI! COMPLETE COLLECTION

From Sentai Filmworks! Saying that Junpei Kosaka's allergic to cats is something of an understatement, just thinking about cats can make him sneeze. A fact that seems to be lost on his mother and sister, who both *adore* cats. And if that wasn't bad enough, when Junpei inadvertently damages a statue of a cat deity, he becomes cursed with the ability to understand felines. Now Junpei must perform one hundred great favors for cat-kind or face the fate of being turned into a cat himself! Life quickly becomes a *purrfect* hell as every cat in the neighborhood starts sending Junpei their list of "requests." But it's not just the cats: the local Yakuza's daughter is playing cat and mouse; the monk's daughters are acting catty; Junpei's childhood best friend is ready to use him as a scratching post, and the girl he has a secret crush on is as cat-crazy as the rest! THE PET GIRL OF SAKURASOU COLLECTION ONE

From Sentai Filmworks! Banished from normal housing for the crime of adopting stray cats, Sorata Kanda's life has gone to the dogs, and now he's been impounded in Room 101 of Sakura Hall, a notorious den of troublemakers, geniuses and weirdos. Meanwhile, Mashiro Shiina in Room 202 is the cat's meow of the art world. However, she's so unfocused and dysfunctional that she needs a full-time keeper to survive day-to-day life while she puts her career as a famous artist on hold and studies to be a manga creator. That's too big a task for Chihiro, Mashiro's cousin who lives in the same dorm and also happens to be Sorata's teacher. But given Sorata's weakness for taking in small, cute but sometimes not completely loveable creatures, could he be the one destined to take over Mashiro's grooming, feeding and general... domestication? Well, if he's not, too bad, 'cause no one else is stepping up and he's stuck with it and her! "Heavy Petting" gets redefined, the dorm's the only thing likely to get "housebroken" and hopefully no one will get neutered as who's on whose leash becomes anybody's guess in *The Pet Girl of Sakurasou Collection One!* Available in Blu-Ray and DVD formats. SAY "I LOVE YOU" COMPLETE COLLECTION

From Sentai Filmworks! Friends suck, and trusting someone is just setting yourself up. That's the lesson Mei Tachibana learned after her heart was ripped out and only a shell was left where a girl used to be. But unlike so many, she found an easy solution: she'll never make another friend. Ever. Okay, maybe that's not as easy as it sounds, but it's worked for Mei. Or at least it did. Until handsome, charming and annoyingly popular Yamato Kurosawa came along. Because for some freakish reason, he seems to like Mei. He even gave her his phone number! As if she would ever call him. Except she did. But only because she needed help. Still, he came. He actually came. And now things are getting way too complicated. Mei's no princess in a tower. She's not waiting for a knight in shining armor to rescue her. So why did he have to kiss her and confuse everything? And why are those three little words so hard to say? Between heartbeats, behind trembling lips, and unspoken with every breath, the specter of betrayals past, future and present now haunt them both in *Say "I Love You".* Available in Blu-Ray and DVD formats. SO, I CAN'T PLAY H! COMPLETE COLLECTION

From Sentai Filmworks! Never make a deal with a wet goddess you've only just met. That's a lesson Ryosuke Kaga learns the hard way when he foolishly agrees to let Lisara Restole use some of his "essence" to stay in this world. Because despite her smoking hot appearance, Lisara's actually a Shinigami, a Goddess of Death. However, she doesn't steal years off his life like any decent Shinigami would do. Oh no, instead she sucks off his lecherous spirit, draining his ability to enjoy... well, the things that teenage boys normally spend most of their time thinking about! And now the poor degenerate's only hope of getting his licentiousness renewed is to join the Lisara on her quest, since when she leaves our mortal plane he regains his normal immorality! But Shinigami can be really harsh mistresses and it's going to be anything but easy to go back to being sleazy in *So I Can't Play H!* Available in Blu-Ray and DVD formats. (STK627457) (C: 0-1-1)

CRYSTAL LAKE MEMORIES: THE COMPLETE HISTORY OF "FRIDAY THE 13TH"

From 1428 Films! For more than thirty years, *Friday the 13th* has proven to be as unstoppable at the box office as its hockey-masked villain Jason Voorhees, having spawned twelve feature films (and counting!), a syndicated television series and an extensive line of books, merchandise and collectibles. For its creators, *Friday the 13th* has been anything but "bad luck," generating nearly $600 million in domestic box office receipts and turning an unstoppable, machete-wielding madman into a true pop-culture icon. Inspired by the critically-acclaimed book, *Crystal Lake Memories: The Complete History of Friday the 13th* takes viewers behind the mask on an epic journey into the making of the landmark horror franchise — from its humble beginnings in 1980 at a New Jersey summer camp to the blockbuster release of its 2009 "reboot." Combining hundreds of rare and never-before seen photographs, film clips, outtakes, archival documents, conceptual art and behind-the-scenes footage, and featuring interviews with more than 150 cast and crew members spanning all twelve films and the television series, *Crystal Lake Memories* is the ultimate tribute to one of horror's most iconic and enduring franchises! DAY OF THE DEAD (ORIGINAL SCORE)

(A) Jay Shaw

From Waxwork Records! Waxwork Records is excited to announce their second release, George A. Romero's *Day Of The Dead.* This double 180 gram vinyl release features, for the first time ever, John Harrison's (*Creepshow, Tales From The Crypt, Tales From The Darkside*) complete score to the zombie horror classic, including every musical cue used in the film — over an hour's worth of music. The original 1985 master tapes were restored and remixed by the composer, and re-mastered for vinyl by former White Zombie guitarist, J. Yuenger. This limited release will be pressed on Cream Yellow Marble vinyl (Sides A & B) and Military Green Marble vinyl (Sides C & D). All housed in a heavyweight old-school tip-on matte varnish gatefold jacket with spot UV gloss. The full LP package artwork has been created by artist Jay Shaw. Included are essay-length liner notes from the "Godfather of Zombies" himself, George A. Romero. The LP package will also include an 11" x 22" replica of "THE DEAD WALK." newspaper article from the opening credits of the film, featuring essay-length composer notes from John Harrison. EVIL DEAD (2013) ORIGINAL SOUNDTRACK

From Roque Banos! Unseen Forces is proud to present the complete soundtrack from Fede Alvarez's incendiary 2013 reimagining of cult horror masterpiece *Evil Dead.* Spanish composer Roque Banos dazzles with a crisp modern orchestral score that bows reverently toward such genre classics as Jerry Goldsmith's *The Omen Suite,* Anton Webern and Krzysztof Penderecki's creepy string movements from *The Exorcist* and Joseph LoDuca's beautifully understated atmospherics for Sam Raimi's original creation that launched the gristy Kandarian franchise and revolutionized the contemporary horror film with its startling velocity. Banos studied music at the Upper Music Conservatory of Murcia and Madrid's Real Conservatorio Superior before graduating from Boston's prestigious Berklee College of Music, but with Evil Dead he steps beyond the jazz influences evidenced in his previous scores. Here the maestro eloquently assumes the role of firestarter, conducting like a pyromaniac invoking the destructive majesty of flame — both demonic and cleansing - with smoldering strings and brass building toward total aural incineration. A thoroughly cinematic experience suffused with sweeping overtures and airing choral crescendos, Banos has created a dark and vital epic for the ages. This gorgeous collection carves through the glut of overblown soundtrack reissues of late like a trusty chainsaw. Deluxe double-LP housed in a gatefold jacket with printed inner sleeves featuring movie photos. U.S. versions pressed on transparent red & transparent green wax (randomly packed). Over 70 minutes of music! (STK627511) (C: 0-1-1)

LAST HOUSE ON THE LEFT ORIGINAL SOUNDTRACK

From One Way Static! David Hess was the textbook musical "all-arounder." On top of his early success penning top hits for Elvis and Conway Twitty, Hess was a record label executive, actor, and composer. With Wes Craven's *Last House On The Left* Hess took on the dual roles of actor and soundtrack composer, playing the monstrous serial killer Krug Stillo and writing the deceptively beautiful soundtrack music that serves as stark counterpoint to the harrowing subject matter. Hess would go on to appear in more mainstream roles in *The A-Team, Knight Rider,* and Craven's *Swamp Thing,* but to many he will be remembered for his challenging work here. Available on Vinyl LP and CD formats. (STK627337) (C: 0-1-1)

TWIN PEAKS: SEASON TWO MUSIC & MORE

From Sacred Bones Records! Sacred Bones Records have recently unearthed a select number of copies of the soundtrack to David Lynch's TV masterpiece, *Twin Peaks.* Originally released on CD by Lynch over 5 years ago, but now very difficult to find, *Twin Peaks: Season Two Music & More* compiles the classic music that defined this series. Composed by Angelo Badalamenti with contributions from Lynch, this soundtrack is renowned for the way it so perfectly matched the chilling, sinister, though often quite funny, tone of one of the greatest television shows ever. ENDER'S GAME

From Summit Entertainment! In the near future, a hostile alien race called the Formics have attacked Earth. If not for the legendary heroics of International Fleet Commander Mazer Rackham (Ben Kingsley), all would have been lost. In preparation for the next attack, the highly esteemed Colonel Hyrum Graff (Harrison Ford) and the International Military are training only the best young minds to find the future Mazer. Ender Wiggin (Asa Butterfield), a shy but strategically brilliant boy, is recruited to join the elite. Arriving at Battle School, Ender quickly and easily masters increasingly difficult challenges and simulations, distinguishing himself and winning respect amongst his peers. Ender is soon ordained by Graff as the military's next great hope, resulting in his promotion to Command School. Once there, he's trained by Mazer Rackham himself to lead his fellow soldiers into an epic battle that will determine the future of Earth and save the human race. A DECADE OF DYNAMITE®

2004 – 2014

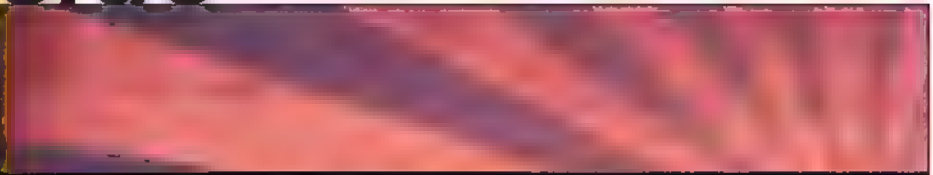
AN INTERVIEW WITH NICK BARRUCCI, CEO AND PUBLISHER OF DYNAMITE ENTERTAINMENT

2014 marks Dynamite Entertainment's Tenth Anniversary of publishing some of the industry's most exciting licensed and original series. From *Battlestar Galactica* (Classic and Modern), *Voltron*, and *The Six Million Dollar Man*, to *Red Sonja*, *The Lone Ranger*, *The Boys*, and *Army of Darkness*, Dynamite Entertainment has covered every genre under the sun, with truly something for everyone.

And the man behind it all is Nick Barrucci, CEO and Publisher of Dynamite Entertainment. Since 2004, he has steered his company ever-forward, striving to present the best comics, from some of comics' best creators, including Alex Ross, Charlaine Harris, Chuck Dixon, Dean Koontz, Garth Ennis, George R.R. Martin, Jae Lee, Jim Starlin, John Cassaday, Kevin Smith, J. Michael Straczynski and many, many more.

With their 10th Anniversary approaching, Nick took a break from his breakneck schedule to discuss Dynamite's history, and some of their new series coming in 2014 to celebrate their decade of publishing!

FLIPside



DYNAMITE'S TENTH ANNIVERSARY

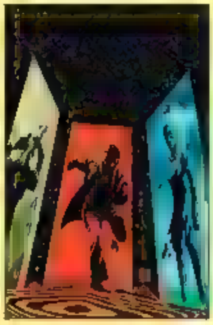
Previews: What are your thoughts on ten years of Dynamite publication, 2004 through 2014?

Nick Barrucci: It's amazing on many levels. I'm proud of what everyone at Dynamite has helped to create in leading up to our 10th Anniversary, and it's truly humbling to know that we have been in business for a decade, since the first issues of *Army of Darkness* and *Red Sonja* hit store shelves. It feels as though we've achieved so much as a company, building a successful home for licensed, creator-owned, and Dynamite-owned comics. As we look forward to our next ten years, however, we see so much growth potential, so many more accomplishments to claim. More than anything, I feel like our ten years of publishing has brought us a huge responsibility — to our fans, to our creators — to not only generate compelling stories and products, but to also publish high-quality stories and products consistently. Personally, I feel that we've done right by our fans, and I cannot wait to deliver ten more years of Dynamite comics, graphic novels, toys, games, and more.

P: Why is Dynamite the "Next Big Thing"?

NB: People use the term "The Next Big Thing," an awful lot, but it's rare that something bursts onto the scene, has an immediate impact, and then stays for the long haul. Often, The Next Big Thing becomes "Last Year's News." To truly attain that standing in the eyes of the public, you have to get there little by little... it's all in the details. What creators are placed on a given title, how much attention is paid to each page, and the amount of creative freedom given to the writer and artist — that's how greatness is achieved. It's usually a slow build to get there. Above all, comics are a collaborative art form, and the path towards becoming The Next Big Thing requires hard work, talent, and drive. And at Dynamite, we certainly have all three. We're going to rock the industry with hot new licenses and revolutionary creator-owned projects, and expand into new product lines with our Dynamite Toys and Games division. Get ready!

THE TWILIGHT ZONE



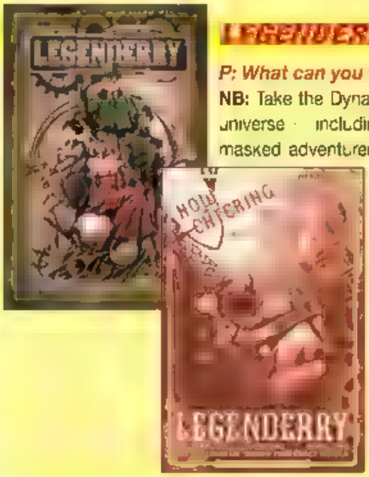
P: What can you tell us about The Twilight Zone?

NB: J. Michael Straczynski, a legend in writing for comics and television, brings back the groundbreaking TV series that defined the science fiction genre! Similar to its original format, *The Twilight Zone* comic book will be a series of separate stories but with the twist that JMS will string them together into unique, interlocking ways! It's a classic concept, but with a fresh, unexpected take.

P: Why is The Twilight Zone the "Next Big Thing"?

NB: I said, "J. Michael Straczynski," didn't I?! Seriously, he's an amazing talent who counts writing *The Twilight Zone* television series as one of the many highlights in an illustrious career. We've wanted to work with Joe for years, but we didn't have the right project that got him excited as a fan and a storyteller. When I mentioned *The Twilight Zone*, he literally just said "YES". When you think about it, *The Twilight Zone* has always been a Big Thing, and it always will be. You'll be surprised to see new levels of experimental storytelling, and how its terrors and surprise twists reflect what's most terrifying to today's generation (just as the original *Twilight Zone* controversially tore into the societal problems of its day). These will be horror and sci-fi stories that speak volumes socially, not just superficially, and people will talk about this title for years to come.

LEGENDERRY: A STEAMPUNK ADVENTURE

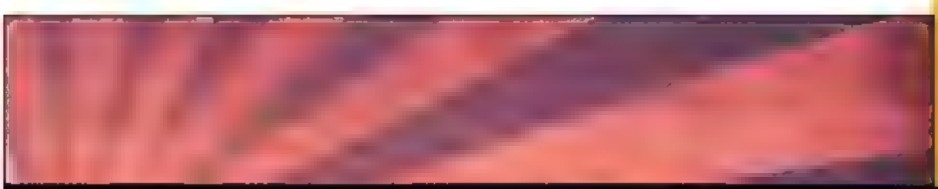


P: What can you tell us about Legenderry: A Steampunk Adventure?

NB: Take the Dynamite universe and imagine it Steampunk'd! *Legenderry* takes many of the main players of the Dynamite universe — including Steve Austin of *The Six Million Dollar Man*, the classic pulp duo of *Green Hornet* and *Kato*, legendary masked adventurer *Zorro*, Dynamite mainstay *Vampirella*, beloved Jack Kirby-created superheroes *Silver Star* and *Captain Victory*, King Features legends *Flash Gordon* and *The Phantom* and finally, the swords-and-sorcery icon *Red Sonja* — and twists them in a Victorian world with mad science run amok!

P: Why is Legenderry: A Steampunk Adventure the "Next Big Thing"?

NB: Only Bill Willingham — the bestselling creator of the runaway success *Fables* — could re-imagine the main Dynamite characters for this otherworldly adventure! Without the constraints of continuity, with free rein to reinvent worlds and characters, Willingham delights in the new Steampunk landscape and promises to carry us off on flights of fancy. Fans of the characters, fans of Steampunk, and fans of highly imaginative event comics will thrill to this series!



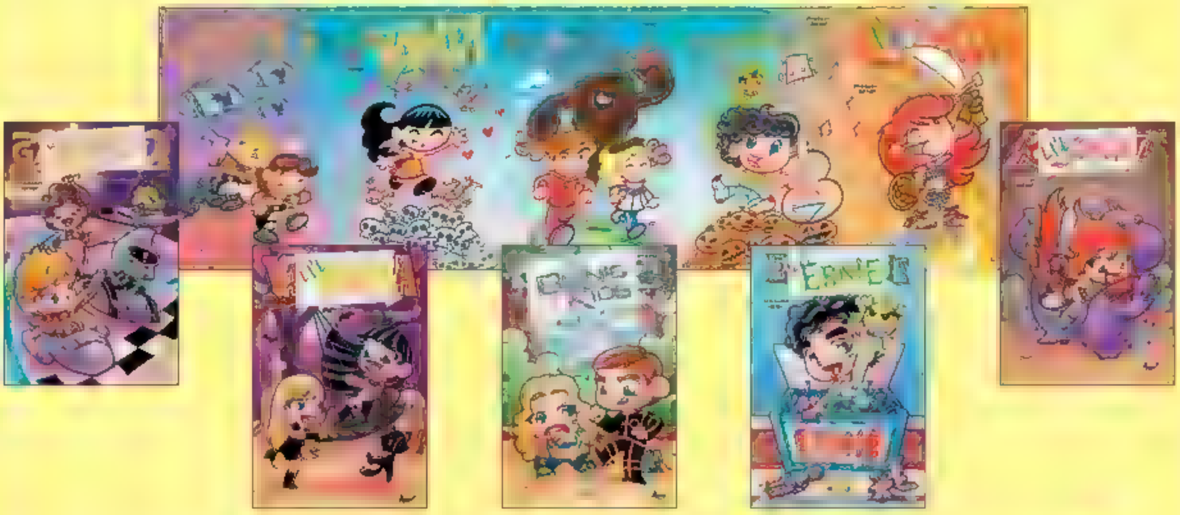
LI'L DYNAMITES

P: What can you tell us about Li'l Dynamites?

NB: *Vampirella*, *Red Sonja*, *Evil Ernie*, *Battlestar Galactica's Starbuck* and *Apollo*, and the *Bionic Man* and *Bionic Woman* are some of the most well-known characters in the Dynamite Universe... but we only know them as adults. *Li'l Dynamites* presents these fan-favorite characters with a much more... *juvenile* bent. It's fun to think of Red Sonja as the "She-Devil with a Plastic Sword", or Vampirella as the undead queen of the sandbox, innocently stealing the hearts of all the boys! It's a whimsical romp, a fantastic fun-fest!

P: Why is Li'l Dynamites the "Next Big Thing"?

NB: When you have "Li'l" in the title, can it still be The Next Big Thing? Well, sure we can. We've never played with our awesome characters quite like this before... nobody has! In welcoming renowned all-ages creators (and Eisner Award winners) like Art Baltazar, Franco and Roger Langridge to join our incredible team of Dynamite writers — including Brandon Jerwa, Eric Trautmann, and Jim Zub — we're going to see our heroes and heroines get in touch with their inner children... leading to a whole new dynamic and unique insight into the characters themselves.



BAD ASS

P: What can you tell us about Bad Ass?

NB: *Bad Ass* is a story of a hero you would love to hate... mostly because he's actually a dangerous psychopath. The main character, Dead End, is a morally corrupt and hilariously sarcastic vigilante who is more concerned with his own goals than anything else. Dead End is that man that just wants to watch the world burn, and crack jokes the whole time it's happening. Dead End is more than just a self-involved, psychotic mercenary — he is also really good at basketball. Never before has there been such a quick-witted and highly intelligent vigilante. While characters like Deadpool are more about slapstick humor, Dead End is more about the quick witted answers, delivered with a hysterically crushing apathy. We like to think it should have the tagline, *"If Deadpool and Kick-Ass had a baby, it would be Bad Ass."*

P: Why is Bad Ass the "Next Big Thing"?

NB: I'd say that *Bad Ass* fills a void left in fanboy and fangirl hearts after our bestselling and envelope-pushing series, *The Boys* (by Garth Ennis and Darick Robertson), came to its explosive end. If you want violence and sick humor, if you crave madcap antics and irreverence, *Bad Ass* is your Next Big Thing.

ZORRO: THE COMPLETE DELL PRE-CODE COMICS HC

Hermes Press

didn't know who Johnston McCulley was, but his creation Zorro would become one of my favorite action heroes from the moment I saw *Mark of Zorro* starring Tyrone Powers and the silent films with Douglas Fairbanks. In the pre DVR/DVD/VHS era, comics like Dell Comics were the only way you could revisit your favorite movie or TV show.

While many comic fans are familiar with Alex Toth's rendition of Zorro, there were many previous adaptations of the original source material and movies. Dell was the publisher of most of those stories and Hermes Press has now made those available in their *Zorro: The Complete Pre-Code Comics* hardcover collection. The stories collected in this book haven't been printed in over sixty years, starting with *Four Color* #228 where Dell introduced Zorro in a comic based on McCulley's original story. Featuring art by the extremely talented Everett Raymond Kinstler, his illustrative art style shows a romanticism not usually found in "kids' comics." With six other *Four Color* comics collected in this book, *The Pre-Code Collection* is an excellent companion book to Hermes Press' Alex Toth collection.

GRAVEL COMBAT MAGICIAN #0

Avatar Press

Combat Magician Sgt. Major William Gravel, created by superstar writer Warren Ellis (*Transmetropolitan*, *Freakangels*) is back with an all new on going series! Starting off with an oversized 48 page issue #0 readers will be welcomed back into Gravel's domain of brutal violence and black magic. While many #0 issues are reserved for origin stories this book brings the reader up to speed on Gravel's world and sets the tone for the next chapter for the Combat Magician.

Written by comic veteran Mike Wolfer (*Gravel*, *Stitched*) with art by Gabriel Rearte (*Grimm Fairy Tales*), Wolfer is looking to break new ground with the character. Where the older issues showcased the occult this new series will feature Gravel's military SAS history and training and will give us our first look at how Sgt. Gravel stacks up to Combat Magicians from other countries.

Available from Avatar Press, be sure to pick up *Gravel Combat Magician* #0 for the next gritty chapter in this black magic fueled fantasy horror.

THE TALES OF MR. RHEE TP

Devils Due Entertainment

Sometimes calling 911 just doesn't the mustard. I mean, who would you call if your pesky neighbor turned out to be a blood sucking vampire? Who can your turn to when faced with evil sorcerers with pointy goatees conducting illicit demonic rituals? With the police ill equipped to handle the villainous evils of the paranormal world you need to call in a specialist. That's where Mr. Rhee, paranormal troubleshooter extraordinaire, leaps to the rescue.

The Tales of Mr. Rhee from Devil's Due Entertainment brings readers to a dark fantasy world where the protagonist is just trying to make an honest living in a world where everything from vampires to demonic possessions is reality. Written by Dirk Manning (*Dia de los Muertos*) *The Tales of Mr. Rhee* hits on all of the key horror elements without skimping on any gore or violence but it is tempered by a light hearted and quirky sense of humor throughout the book.

Collecting the complete series along with several never before published stories and content, be sure to check out this new trade paperback from Devils Due Entertainment.

ROLL HARD GN

Adventurist Corp

War is undoubtedly one the hardest genres to tackle in comics. Even harder is a war comic that tackles events that took place in Baghdad, Iraq in 2004. Enter comics veteran Billy Tucci and journalist/author Robert Young Pelton with their graphic novel *Roll Hard*.

Take a drive down IED Alley (that's short for Improvised Explosive Device, or car bomb Alley) with the Mamba Team, a new breed of warrior made up of ex-military servicemen, cops, and private security people that only job is transport cargo and people every day down the deadliest 12 mile stretch of Baghdad road. This is a unique group and this is their untold, misfit story.

Billy Tucci's wonderfully realistic and detail-oriented writing and drawing style capture the events that take place on "Route Irish" in a hyper realistic way that literally shoves you right into the action. With its attention to accuracy, *Roll Hard* is a comic war-buffs will definitely want to have! But with its compelling, true story and full-bodied characters any casual reader will be glad they gave it a read.

Peter Parker's past comes back to haunt him in his latest and greatest Marvel Masterworks volume! Doc Ock has returned, and he's brought the ghost of Hammerhead with him! And those two aren't the only ones back from the grave: The Kingpin is out to resurrect his son, and he can only do it if Spider-Man dies! The danger doesn't stop there, either, as the Punisher sets his sights on Spider-Man in an adventure guest-starring the X-Men's Nightcrawler, dinosaurs rampage down Broadway in the war of the reptile-men, one of Spidey's oldest foes hijacks the Spider-Mobile, and J. Jonah Jameson secures proof of Spidey's secret identity in the return of the Spider-Slayer! Reserve your copy today! Collecting AMAZING SPIDER-MAN (1963) #156-168 and ANNUAL #10.

WRITTEN BY ROY THOMAS WITH ARNOLD DRAKE, DENNIS O'NEIL & LINDA FITE
PENCILED BY SAL BUSCEMA WITH DON HECK, WERNER ROTH & SAL BUSCEMA
COVER BY NEAL ADAMS & RICHARD ISANOVE

1969: The X-Men, Marvel's poorest-selling title, was in dire need of a shot in the arm. Enter Roy Thomas and Neal Adams, and readers witnessed one of the most amazing evolutions in Marvel history! These two titanic talents threw caution to the wind with sensational stories that brought the X-Men in synch with the thriving youth culture of the late '60s. Adams' lavish and dynamic visuals merged with Thomas' challenging and contemporary stories to create a comic-book series that throbbed with the pulse of the times like none other. Thrill to the introduction of mutant mainstay Havok, the vampiric villain Sauron, the Mutates and Sunfire; battles against the Living Pharaoh and the Sentinels, a classic team-up with Ka-Zar in the Savage Land, and the return of Magneto and Professor X! COVER BY STEPHANIE HANS

Loki has been reborn as a child, but will he be Asgard's savior? FEAR ITSELF looms, and the Serpent threatens Earth! The mortals' only hope is that Thor can fulfill an ancient prophecy, but the plan is doomed to fail without help from young Loki. The former Lord of Lies' only chance of success is to use all the skills of deceit that made him so hated in his past life. But will the reborn godling find redemption — or damn himself further? And in the war's aftermath, Nightmare is gathering enough energy to rule the world — and the mother lode is inside Loki's mind. Aided by an undead handmaiden and a demon puppy, Loki will risk everything on a scheme so crazy, it could only have been hatched by a God of Mischief! Collecting JOURNEY INTO MYSTERY (1952) #622-636 and #626.1.

CASTLE: RICHARD CASTLE'S STORM SEASON TPB

WRITTEN BY BRIAN MICHAEL BENDIS & KELLY SUE DECONNICK
PENCILED BY EMANUELA LUPACCHINO
COVER BY DUSTIN WEAVER

The sequel to the critically acclaimed, best-selling graphic novel Richard Castle's Deadly Storm! In this "adaptation" of Derrick Storm's second novel, the private investigator is hired to bug an African head of state's hotel suite — but the routine mission quickly spirals out of control when Storm overhears a woman's terrifying scream on the wire. Plagued by the victim's helpless cry, Storm — despite an ominous warning — investigates. Soon, he'll discover an international conspiracy reaching further than he ever imagined — and perhaps the truth about Clara Strike, a CIA agent the world thinks is dead! RICHARD CASTLE'S STORM SEASON reunites the lauded writing duo of Brian Michael Bendis and Kelly Sue DeConnick for their second Castle story, and the dynamic artwork of rising star Emanuela Lupacchino brings the world of Derrick Storm to life like never before.

WARLOCK BY JIM STARLIN: THE COMPLETE COLLECTION TPB

WRITTEN BY JIM STARLIN
PENCILED BY JIM STARLIN
COVER BY JIM STARLIN

At '70s Marvel, no one mastered the startling scope and high-concept complexity of cosmic adventure like Jim Starlin! And his work on Adam Warlock set the tone for star-spanning spectacle that is considered a high-water mark to this day. Starlin evolved Warlock to the next level, imbuing the character with the inner demons of a man-god on the brink of insanity. Forced to confront an evil version of himself and the nihilistic menace Thanos, Warlock's conflicts weren't just knuckle-grinding throw-downs — they were epic, existential struggles for his very soul. Featuring the first-ever assembling of the Infinity Gems; the debuts of Gamora and Pip the Troll; and an all-out struggle to save the universe joined by the Avengers, Captain Marvel and Spider-Man! Collecting STRANGE TALES (1951) #178-181, WARLOCK (1972) #9-15, AVENGERS ANNUAL #7 and MARVEL TWO-IN-ONE ANNUAL #2.
